Fiftieth Year | Canyon, Texas, Thursday, October 11, 1945 | Number 32

Reports Come In From Drive

Victory Council in Action Again; Major Lockhart in Address

Contributions to the community war fund, a division of the Texas United War Chest and the National War Fund, compare favorably with those of the last two years, it was said today by Milton Morris, chairman of the drive.

From the Victory Council came reports that workers were completing their canvassing in rural areas with excellent results. Council workers, who did not organize until the middle of last week, were turning in completed lists by Saturday. Mrs. Lige Frieze is receiving the monies at the Southwestern Public Service Company office.

W. H. Upchurch, assistant drive chairman, presided at a meeting of community leaders Thursday evening at the court house. At this session, Major Vincent Lockhart of Canyon was introduced by Olin E. Hinkle, former captain of the Army Air Forces. Major Lockhart, who served as assistant adjutant of the famed 36th Division, heartily endorsed the National War Fund and praised the work of the USO and other agencies in Europe.

"The USO did a magnificent job for the boys in the areas where I served," said Major Lockhart. "They gave us good clean, variety shows."

He added that the problem of recreation is much greater now that the battles have ceased and the men are rested. The need for frequent enteretainment is keen. Moreover, the plight of the people in many occupied areas is acute as winter approaches.

"Some people say the war is over," Major Lockhart said. "I say it isn't. We must finish the job. Even now, some obscure corporal may be planning to undo everything we have done. But we can keep wars down, or keep them pint size." Major Lockhart gave generous praise to soldiers from Randall County, especially those who were mustered in with Company F of the National Guard. "There were no better soldiers," he declared. "This fact, and their good equipment accounts for the comparatively low casualty rate from the county. The total could have been much greater, for our division was shooting and being shot at for 132 days."

With many areas not yet heard from, Chairman Morris is urging workers to turn in their reports promptly. This is the last combined drive of the war agencies, and the money raised will be used for more than the customary year.

Randall County Teachers Hold Meeting Monday

The Randall County Unit of the Texas State Teachers Association met on October 8 at 8:15 p. m. in the Canyon High School auditorium.

Rev. R. W. Jones led the invocation. Miss Ada V. Clark led the group singing of "The Eyes of Texas" and "Texas Our Texas."

During the business hour the following officers for 1945-46 were elected: president, Tommie Cole; 1st vice-president, A. K. Goodman; 2nd vice-president, Mrs. Stella Murrell; secretary, Miss Margaret Barrett; treasurer, W. F. Haggard.

"Education in the Post-War World" was the topic for the program. Dr. A. M. Meyer discussed the international phase; Miss Maud Cuenod, national; Tommie Cole, state and local; Mr. Hershel, veterans.

To conclude the program the group sang "America."

Refreshments were served after the program with Miss Davies as hostess.

Dues of $3.00 for 1945-46 may be paid to F. E. Savage, T. B. McCarter, Miss Darthula Walker or W. F. Haggard.

Brother of Mrs. Wilford Taylor, Jr. Is Killed

Major Ovid Pinkert, brother of Mrs. Wilford Taylor, Jr., was killed in an airplane crash on Baldy Mountain near San Bernardino, Calif., Friday morning.

Major Pinckert's parents were visiting on the coast and he had spent a week end with them recently. He was on a routine flight when the crash occurred. No particulars are known to date.

THOMPSON COMES TO TOWN

T. C. Thompson, veteran hardware merchant of Canyon, is able to leave his home, and walks to town every day. He came down town for the first time Thursday afternoon.

After spending some time in an Amarillo hospital, Mr. Thompson was brought home and has been improving in a very satisfactory manner.

Coach Miller and President Hill Make Statement on Athletic Situation

Coach Gus Miller made a short statement Tuesday at the Rotary Club luncheon regarding the athletic situation at West Texas State. Coach Miller states that he and his teams are mixed in "big time athletics," and he is not sure that he likes it. He says that he is confronted with two problems: 1. To find 11 boys to make up a football team; 2. Trying to explain why he lost games.

Tech, Baylor and West Texas are the only three colleges attempting athletics which do not have a Naval Unit. In the game Saturday, the Buffaloes played a complete navy team. Only two civilian players were brought by New Mexico, and neither of them was used.

Coach Miller praised the manner in which his boys stayed in there and fought to the end. The lack of reserves is the great handicap of the team.

President J. A. Hill stated that West Texas is the only teachers college which is carrying on an athletic program. The Board of Regents has ordered all colleges to resume their programs. The Regents indicate that the board may favor all of the teachers colleges belonging to the Lone Star Conference. The conference let West Texas State out of the circuit because of the superior basketball team developed here. Dr. Hill states that he advised the Regents that the Buffaloes preferred to remain in the Border Conference, which is bigger company. He states that he is not discouraged at the losses of the season, but greatly admires the fighting spirit of the team.

Red Cross Will Have Meeting in Amarillo, Oct. 17

The North Plains Camp and Hospital Council will meet in the Women's Federated Club Room located in the USO Auditorium at Amarillo Wednesday, October 17 at 2:00 p. m.

As many members of the council and of the Red Cross as possibly can are urged to attend this meeting as it is here plans will be made for the rest of the year's work.

Bank To Observe Holiday Friday

Tomorrow, October 12, being Columbus Day, The First National Bank in Canyon will be closed all day.

STORK SPECIAL

A son was born to Mr. and Mrs. Wilbur Breitling on Oct. 1.

A son, Edwin Eugene, was born to S-Sgt and Mrs. Gene Seastrand last month in San Antonio. Mrs. Seastrand will be remembered as Evelyn Shanklin.

Born to Mr. and Mrs. Johnnie Sykes, a boy, Johnnie, Jr., Oct. 3.

A son, John Dwight, was born Sept. 29, to Sgt. and Mrs. John H. Dietz at a Lubbock hospital. Mrs. Dietz will be remembered as Betty Ann Simon.

HAS HIP BROKEN

J. M. Shinn of Portales fell and broke his hip Thursday. Dr. and Mrs. J. A. Hill were called to his bedside. The late Mrs. Shinn was a sister of Mrs. Hill and the family lived in Canyon while Mrs. Shinn taught in the public schools.

Sgt. Odell (Luke) Miller is at home with his wife and daughter on a 45 day furlough. He has spent the past 7 months in France and Germany. Sgt. Miller thinks that he will be in the army 6 months more.

O. D. Bragg has returned after a two months' visit with sons in Redondo Beach, Calif., and with brothers in Stephensville, Montana, and Canyon City, Colo.

Calves Will Play Panthers

Panhandle to Bring Strong Team Here On Friday Evening

In continuing their games with strong football teams, the West Texas High eleven—the Buffalo Calves—will meet the Panhandle Panthers here Friday night, October 12, at 7:30 o'clock on Buffalo Field.

Victors over Dimmitt, 12-0, and Tulia, 7-6, the Calves met more than their match with Canadian last week, and lost at that city, 40 to 0.

Panhandle's Panthers, always a good team, will be the favorite here Friday night, but Coach Monk Ford's men will be at top strength for the contest.

In other coming games, the Calves will play McLean there, Springlake here, Spearman here, and Dalhart there. Springlake beat the West Texas High boys last year, but the Calves will be pressing for a comeback this season.

While his squad is small, Coach Ford has achieved a high morale and is getting good play from his team.

Happy Birthday

October 12th—
- Joe Ziegler
- Juanita Belt
- Larry Stroup

October 13th—
- Carl Lester Hollabaugh
- Betty Ruth Mariner
- Billy Guy Brant

October 14th—

- Annette Meyer

Capt. Roland Black is spending his terminal leave with his mother, Mrs. Alice Black. Capt. Black will report back to Camp Hood for a few days then will receive his discharge papers about Dec. 6.

Mr. and Mrs. J. H. Milford have sold their home in Canyon and moved to Lubbock where Mr. Milford will have headquarters for his insulation contract work for the Panhandle and New Mexico.

Rain on Tuesday Measures .50

Wheat Planting Is Delayed As More Moisture Falls Over the Panhandle

Randall county received additional moisture Monday and Tuesday. The rainfall in Canyon totalled one-half inch.

Rain started to fall Monday night and by morning the moisture measured .33 of an inch. A slow falling rain continued far into the day, which added .17 of an inch.

The rain delayed wheat planting. Most farmers were just getting ready to start their wheat drills after the heavy rains of last week, but little wheat was planted before the light rain of this week.

Various reports have been heard in Canyon about the early planted wheat. Some farmers report that the early wheat is looking fine; some farmers report that worms worked on the wheat which was planted in the dust, and that a large acreage will have to be replanted.

Many experienced wheat raisers have not yet planted their 1946 crop on the theory that planting during October has a better chance for a good yield than wheat which is planted earlier. However, those who hold the theory of late planting usually are not concerned with wheat pasture during the winter.

Kenneth Black Has Returned , 2 Years In Europe

S-Sgt. Kenneth Black is spending a 30 day furlough in Canyon with his wife and daughter, his parents, Mr. and Mrs. Joe Black and other relatives and friends.

Sgt. Black has been in the European Theater for 2 years, at the end of his furlough he will report to Ft. Leavenworth, Kansas, where he expects to receive his discharge under the point system.

Doc Springer Has Reached America From Jap Camp

Doc Springer, who has been a prisoner of the Japs , called his sister, Mrs. Stacy Howell, Tuesday from San Francisco to tell her that he had landed and would leave San Francisco for El Paso Wednesday.

Mrs. Howell expects to go to El Paso to meet her brother.

ARCHERS ADOPT SON

Mr. and Mrs. George Archer adopted a 3½ months old son Friday, October 4. The young man has been named George Mack.

MARRIAGE LICENSE

O. R. Dunnagan to Dorothy Jean Jennings, October 3.

Out of town guests to the Jennings-Dunnagan wedding included Mrs. Dawes Muncy (the former Billie Bird), Mrs. Lorenzo Wirt, John and Martha Quillen, Mr. and Mrs. Geo. L. Grogan all of Amarillo; Lt. and Mrs. Richard Hough of Denver, Colorado.

Capt. Sam A. Thomas, Jr. visited with Mr. and Mrs. Silas Hart and other friends in Canyon Tuesday. Capt. Thomas has just returned from 28 months' service overseas. He has his discharge from the Army.

Mrs. Clyde Warwick left yesterday with her brother, Mr. and Mrs. Ben Winkelman of Amarillo, for a few days visit at the parental J. E. Winkelman home at Florence, Alabama.

Buy Baked foods, tea towels, feed sacks at H. D. Country Store, American Legion Hall Saturday. 1t

Lt. Oscar Leon Smith, Jr. Is Reported Killed

Oscar Leon Smith, Lt. (jg) was killed October 1 while on a weather reconnaissance in the Pacific Theater, according to a telegram received Saturday night by his parents, Mr. and Mrs. O. A. Smith.

Lt. Smith a former student of W. T. has been overseas for the past year.

High Attendance at Palo Duro Park Set During 1945

A new attendance record may be established in 1945 at Palo Duro Park, according to reports from S-PARKS, official publication of the Texas State Parks Board.

Attendance for 1945 to date has exceeded the figures for all of 1944. During August, there were a total of 6,210 visitors at the park, including 1,214 members of the armed forces and 4,996 civilians. Net profits during August were $1,243.71.

Mr. and Mrs. Lee Noble of Floydada are in charge of the lodge at the park, and George H. Melford, 14, is general maintenance and handy man. For 16 months he has been taking tickets, selling curios and cold drinks and saddling horses. He is enrolled as a sophomore at Canyon.

Major Ogden Stroud Received Army Promotion

Major Ogden Stroud has just been promoted to that rank from rank of Captain, according to his report to his parents, Mr. and Mrs. W. H. Stroud, Monday.

Major Stroud spent 23 months in the European Theater with a Photo Reconnaissance Wing of the Army Air Corps.

Since June he has been stationed at Denver, Colorado with the same group.

Two More Men Are Accepted By the Army

Of the three men who went to Oklahoma City for their physical examinations, two were accepted under Selective Service.

Donald Harold O'Brien and James Andrew Stallings were accepted.

Bobby Lawrence Gray was rejected.

ATTEND WEDDING

Sunday Dr. and Mrs. M. A. Biggers attended the wedding of their granddaughter, Yvonne Brown, daughter of Mr. and Mrs. Ewell C. Brown, 204 Alabama St., Amarillo, to Pvt. Ronald W. Miller, son of Mr. and Mrs. Noah H. Miller of Sunnyside, Washington.

IN AMARILLO HOSPITAL

Mrs. Rhome Mobley is again in an Amarillo hospital. She was taken to the home of her mother in Amarillo last week, but is back for further check up.

Mrs. Calvin Wallen, sister-in-law of Mrs. E. I. Boyce, visited over the week end in the Boyce home. She is enroute from California to Big Spring, Texas, where her husband is stationed.

S-Sgt. George Vineyard spent last week visiting his wife in the parental T. S. Maxwell home. Mrs. Vineyard returned to New Jersey with her husband Tuesday night.

Mrs. W. I. Wester and Mrs. Ray Crowder spent last week end in Plainview visiting the C. L. Young family.

A. D. Prater was able to return to work at Pantex Monday after having been absent for two weeks with a broken foot.

Visit the Country Store at Legion Hall Saturday, October 13. 1t

Large Number Men Returned Home After Serving Overseas in Forces

Army and Navy Are Giving Many Discharges and Boys Resuming Their Former Jobs

The boys are coming home in larger numbers. This week witnessed the return of the largest number so far to receive their discharges. Those who have returned are:

Lt. Bob Bellah is home with his discharge. He is working in his father's store and attending school at West Texas State. His wife and son have made their home in Canyon while he was overseas.

Lt. (jg) Arthur C. Haley, Jr. was discharged at Jacksonville, Fla., on Thursday. He was Signal Officer on a navy airplane carrier in the Pacific. Lt. Haley and his wife and baby will arrive at the parental Warwick home by this week end.

Lloyd Shackelford reported here Thursday after discharge from the navy where he served for almost three years.

Sgt. Bill Patke has arrived home with his discharge. He returned from overseas last week after serving for 3 years and 7 months.

1st Sgt. Earl E. Keenan has received his discharge, with 6 years and 11 months to his credit in the army.

Rufus Johnson, chief Petty Officer, who has been in the Navy for 10 years arrived at the home of his parents, Mr. and Mrs. Jim Johnson, Thursday morning with his discharge. He has served for the past 18 months on the U. S. S. Essex in the Pacific.

Pfc. Warren A. Wilson has received his discharge after serving in Africa and Europe. He left Canyon with Co. F when this company went to Camp Bowie in Jan. 1941.

Pfc. Judge Pierce has received his discharge from the General Hospital. He served in this branch of the service in England. He entered the service in May, 1942.

Felix Pierce is home to resume his oil business after serving in the navy from January, 1942. He has been stationed at Seattle for several months, after being in the South Pacific.

Cpl. George Henry Liekhaus of Umbarger is home after 3 years and 5 months in the service. He recently returned from overseas.

Pfc. Robert Mack Rogers was discharged from the Marine Corps. He served with this unit in the Pacific, joining the unit in November, 1943.

Byron Pool has received his discharge after 4 years and 4 months in the service. He saw action in North Africa and Europe.

Sgt. Robert W. Chambers has received his discharge from headquarters company after being in uniform since June, 1942.

Frederick Jo Spiser is home from the navy, which unit he joined in December, 1941.

Sgt. Charles W. Conner received his discharge after service since September, 1942.

J. D. Palmer has received his discharge after induction in March, 1944. He was former high school principal of the Canyon schools.

Pfc. Earl H. Whitley has been discharged after serving since March, 1941.

Pvt. Elmer John Franklin Bauer was discharged from the Marine Corps which he joined on Jan. 2, 1945.

Cpl. Herbert Kuhlman has been discharged from the Air Corps after serving since Sept. 29, 1942.

Spike Lowes has been discharged from the Marine Corps where he served in the Medical Unit in the Pacific before being transferred to a hospital near Washington.

Homer A. Walker of Plainview has received his discharge from the Army after 3 years service. Ardell fought 11 months in France and Germany. His wife, the former Imogene Langston and Delta Jean had made their home in Canyon.

MARRIED 59 YEARS

Sunday, October 14, will be the 59th wedding anniversary of Mr. and Mrs. W. F. Barnard.

Mrs. Ray Crowder has returned to Canyon to spend a few days with her parents, Mr. and Mrs. W. I. Wester, after a three weeks' visit in Vernon with Mr. and Mrs. F. S. Crowder, parents of Capt. Ray Crowder.

Sunday guests of Mr. and Mrs. Madison Daugherty were Mr. and Mrs. Ira (Dad) Greenfield and Dan Altman of Post.

Victory Bonds Sale October 29

Quota For Randall County I Reduced for the Comng Is Reduced for the Coming

The Victory Bond Drive starts on October 29.

The quota for Randall county has been announced as $125.000. Of this amount E Bonds are set at $80,000. An extensive campaign will be started by the County Bond Committee in order to put this drive over in short order. R. H. Wright is County Chairman and will call upon members of his County Committee to assist in this last War Drive.

No quota was set for Randall county in September. The total sales of War Bonds during the month amounted to $12,206.25.

Country Store by H. D. Clubs at the Legion Hall

Saturday the County Home Demonstration Clubs of Randall County are having a County Exhibit and Country Store at the American Legion Hall from 1:00 to 4:00 o'clock.

All clubs in the county will participate. Each club will have an exhibit of handmade articles, with tufted bed spreads being featured.

In the Country Store will be sold baked foods, fresh eggs, tea towels, feed sacks, pot holders and other articles of interest to the general public.

This fall members of the Home Demonstration Clubs through their County Council have given a $100.00 Scholarship to West Texas State to Miss Roberts of Conlin, 4-H Club girl of this district who won a district contest. Funds from this Country Store will be used to build up the Council Budget again to be ready for another scholarship next fall.

Everyone is urged to see the exhibits and to buy at the Store.

Canyon Parent-Teachers To Hold First Meeting

The Canyon Public Schools Parent Teachers Association will meet in the Grade School library, Thursday, October 18 at 2:30 o'clock.

Mrs. Dan Sanders, Miss Elva Fronabarger and Supt. J. B. Speer will conduct a forum in which they will discuss the following: "Parents and Teachers as Partners"; "What the School Expects of the Home"; "What the Parents Expect of the School." This forum will be followed by special music.

This year the P. T. A. is composed of parents and teachers from both the grade and the high school. Parents are urged to come to the meetings.

Pete Harter Has Won Fame As a Dahlia Grower

Pete Harter of Lafette, California is winning for himself a name in that state as a dahlia grower.

In a recent State Dahlia Show, Mr. Harter won 9 first place prizes. In the outstanding flower group he took first with his seedlings of 1944 and 1945.

In the years that Mr. and Mrs. Harter made their home in Canyon his dahlias were the talk of the town. He was instrumental in getting the Dahlia Society organized and the bed started at the college.

MISSIONARY TO SPEAK

Rev. H. Gray Russell, missionary from the Belgian Congo will speak tonight, Thursday, at 7:30 at the First Christian Church.. He will also speak at regular high school and college assemblies today and tomorrow.

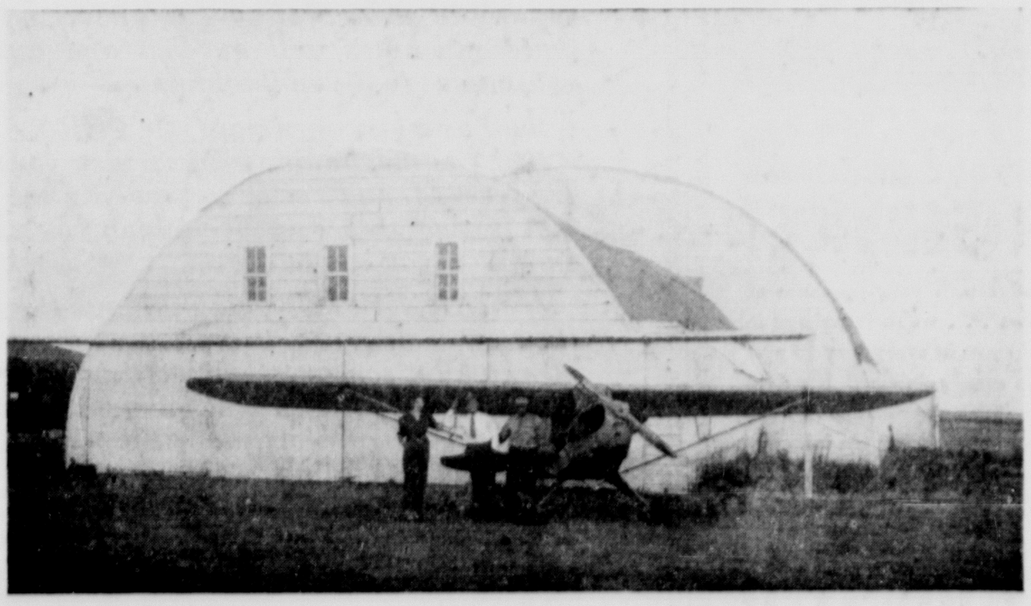
Mr. and Mrs. W. U. Adams had as their guests for supper Thursday evening the following: Mr. and Mrs. Bob Lowry, Pfc. David L. Riley and Mrs. Riley, Cpl. Earl Lowry all of Hereford; Joe Jones and Mrs. C. J. Hopf and son of Amarillo; Miss Josephine Riley of Quail; and Mrs. Howard Holcomb and daughter of Shreveport, La.

Mrs. Howard Holcomb and daughter of Shreveport, La., are guests in the W. U. Adams home. They will remain until her husband completes his discharge routine from the Army; then they will make their home in Cleveland, Ohio.

Hal Harrison, A O M 1-c, arrived Friday to spend a 10 day leave in Canyon with his wife and his mother, Mrs. Ollie Harrison. He will not get a discharge until next August.

Pvt. Charles Lee Evans is spending a 14 day furlough at the home of his parents, Mr. and Mrs. Taylor Evans. He reports to Ft. Louis, Washington.

Mr. and Mrs. Merle Walker visited in the T. S. Maxwell home Saturday.



FLYING FOR ALL AGES—Pictured above with a trainer plane at West Texas State Flying Field are three students typical of the age spread among the persons being instructed. Left to right, they are Miss Nina Iverson, age 18, a student of West Texas State; Virgil Henson, age 35, business manager of the College; and George Cox, age 58, prominent Canyon business man and flying enthusiast. Aviation has captured the interest of everyone, and there is no finer place to learn to fly than on the Panhandle plains.

No Increases Are Made in the Tax Rate of Randall County For 1945

County Commissioner Clarence Beckman calls attention to the fact that the county tax rate for 1945 was not increased.

When property owners received their tax statements from Tax Collector M. E. Cantrell, many were convinced that the county had increased the tax rate for the year.

However, the state rate was increased, and most of the school districts of the county have increased their tax rates for the year. Most of increase in taxes for the year will go to the schools of the state. The state rate was increased to the constitutional limit on account of the increase in state apportionment for the year. Increased costs of operation caused most of the school districts to increase their tax rates.

But so far as the county is concerned, the rate remains the same.

LANDED IN NEW YORK

Cpl. E. I. Boyce, Jr. called his mother, Mrs. E. I. Boyce, yesterday afternoon from New York. He has been overseas since in October, 1944. He will get his discharge in Maryland and will be home soon.

Visiting in the parental W. J. Wooten home this week are Lt. Dr. W. J. Wooten, Jr., (jg) and Sgt. Leroy Wooten. Lt. Wooten is enroute to the west coast. Sgt. Wooten does not know how his discharge status is yet.

Mr. and Mrs. Clay Cooper, Charles Cooper, Mr. and Mrs. C. O. Cooper and Mrs. Fay Cannedy spent Sunday in McLean visiting Mrs. John Cooper and children.

Editorials

WHY THEY STRIKE

Americans are somewhat dumbfounded at the large number of strikes which have thrown out of work for weeks more than a million men and women. Most of us wonder at the dumbness of some people to follow blindly the dictates of leaders, who lead them into financial catastrophe.

During the war union leaders took a non-strike pledge. This did not stop hundreds of unauthorized strikes at a time when production was so essential to the welfare of the nation. The war could have been lost by such antics. These strikes clearly demonstrate the fact that union leaders have no control over their members in times of an emergency. It shows the need of putting a curb on union labor to the extent that such unions shall be responsible for the acts not only of the leaders, but likewise the members. If unions are to persist in their attempt to dictate the policies of government, there should be a legal way to make them responsible to the public for their acts. This is a tough legal nut to crack, and Congress should do something about it.

Just now CIO is demanding a 30% increase in wages for the members. Perhaps you remember reading figures as to what such an increase would mean. For big corporations this would mean practically dissolution. We read figures from the oil companies of Texas this week. To meet the demands of striking oil workers would have wiped out all earnings of the big companies. There would have been nothing left for the millions of little people scattered over the nation who own stock in the corporations.

On the other hand we read a statement from CIO leaders to the fact that the demand was being made in order to take this profit from the companies. It was claimed that most of the stock was held by Wall Street and therefore the profits should be paid to Texas workers rather than sent to Wall Street.

Unfortunately that is just the reason why the Socialistic CIO is going haywire. It is seeking to kill business by making business unprofitable. CIO takes the position that labor is alone responsible for the success of business. It refuses to accept the theory that it takes labor and capital to make a business success.

According to public reports from big corporations, all of which are made to the government, these corporations are making only from 2½% to 5% on the investments. You can get the financial report of any big corporation and check the figures. CIO would take away all of these earnings on the theory that capital should be paid nothing. Unfortunately the adverse attitude toward business of the Roosevelt administration has encouraged such a stand. Mrs. Roosevelt is now taking a job with CIO to tell the people just how right CIO is and how wrong capital is. It is nothing more than Socialism which this group preaches.

The great grievance which we see expressed is the high salaries which are paid officers of the corporations. Perhaps there is some justice in this declaration. When we read of $350,000 salaries, we sometimes wonder whether the stockholders of these corporations are not being gypped. But when you consider the brains necessary to run a big corporation, and the planning that is needed to keep such industries going, salaries are of little consequence.

Labor leaders have made a racket of their jobs. The more money that the members collect, the more money the leaders get. And this money is theirs to do with as they please, with no questions asked. John L. Lewis tossed a half million dollars into one political campaign. He shed tears over the plight of his miners, but thought nothing of spending a half million at one shot. CIO is carrying on one of the most expensive and extensive campaigns the world has ever seen. It costs millions of dollars. The leaders hope to get more money for their members in order to increase this slush fund. They are big spenders. Congress has never gotten around to making these leaders account for this money. Yet a corporation or an individual cannot throw great chunks of money into political or so-called educational campaigns without accounting for the money.

Our national thinking has gone haywire. It will be very unfortunate if greedy labor leaders lead the members down a blind alley in their demand for such big wages that they will kill the business from which the members win their livelihood.

Telephone workers took a 4-hour vacation Friday afternoon as a national demonstration of their strength. The News hopes that the telephone workers will strike, and stay out until their demands are met. Does that shock you? The News has been opposed to strikes, but here is one that we certainly approve. Why? All right, telephone workers have had a company union for years. On the whole there has been cordial relations between the company and the workers. This is the biggest corporation in the world, and there has been very little difficulties between management and workers. A large percentage of the workers own stock in the company, and are interested in the success of the company. A National Labor Board directive calls upon telephone workers to affiliate with CIO in spite of the fact that the telephone union is getting along without outside interference. NLB is seeking to make these workers drop their organization in which they have confidence and pride and join the truthless Socialistic CIO organization which has been the seat of so much labor trouble. Those who have had to face NLB have long protested that it was a CIO organization. This seems to be pretty concrete evidence that they are right. We hope the telephone workers strike and stay out until Congress does something about interference of Washington bureaucrats in the affairs of workers who are satisfied with their jobs.

We read the protest of a college newspaper against the business men of the town in which the paper is published. It seemed to the students that local people do not appreciate them and do not support their activities. Perhaps such protests have come to the minds of many student bodies, but not nearly in such a concrete form. Students forget that it has been the custom throughout the years to put new educational institutions on the state's auction block. The highest bidder gets the institution. Student bodies of 1945 do not appreciate the vast amount of money which local citizens have been called upon to put into educational institutions. The nation has been passing thru a tragic war during which time there have been too many activities on the minds of the people. Perhaps they have neglected educational affairs to some extent. All colleges have suffered great declines in attendance. Under such circumstances it is not quite so easy to become enthusiastic over local affairs as in normal times. Students should not become unduly wrought up because local citizens are not throwing up their hats over all student activities. They will get back into stride when the horrors and duties of the war have passed.

General Patton has been demoted by his superior, General Eisenhower, because of his unwise statement in comparing Nazi and anti-Nazies of Germany to Republicans and Democrats of America. Patton was one of the most daring military leaders of the war. But his impetuous actions kept him in hot water. The situation is simply this: A great military leader may be a very, very sorry civilian leader. Eisenhower seems to be somewhat of an exception. MacArthur knows the Jap mind, and is doing a good job, in spite of the fact he has been in bad with our slow moving State Department on the question of policy. This is just a warning: We hope that the Democrats and the Republicans will not be so unwise as to capitalize on our military heroes in 1948 by running them for President. The Republicans threatened to bring MacArthur back for the 1944 campaign, but the General refused. Military men have little or no capacity for political jobs where diplomacy must prevail.

Someone has said that we're only sure of two things, death and taxes. Anyway, the death rate doesn't increase every time Congress meets.

OUR DEMOCRACY——by Mat

THE OREGON TRAIL

OVER THE OREGON TRAIL, MORE THAN A HUNDRED YEARS AGO, BRAVE MEN AND WOMEN MADE THE PERILOUS JOURNEY FROM MISSOURI TO THE PACIFIC TO OPEN UP NEW LAND. FORDING RIVERS, CROSSING THE ROCKIES, ENCOUNTERING HOSTILE INDIANS — *THEY MOVED IN CONSTANT DANGER.*

DRIVING THEIR CATTLE BEFORE THEM AND CARRYING SEEDS FOR THE FIELDS THEY HAD NEVER SEEN, THESE FAMILIES SOUGHT IN THE GREAT NORTHWEST AN OPPORTUNITY TO ESTABLISH NEW HOMES AND INDUSTRY. AND WITH THEM THEY BROUGHT TO THE GREAT NORTHWEST *THE PRINCIPLES AND IDEALS OF NEW-WORLD DEMOCRACY.*

WHY BE AN OSTRICH?

Dr. Jules Backman, New York University School of Commerce, Accounts and finance, and Martin R. Gainsbrugh, Chief Economist, National Industrial Conference Board, prepared a study on "Cost Absorption and Retail Control in the Transition Period." The necessity for this study arose out of OPA's demand that retailers absorb virtually all increases in manufacturing costs which resulted in higher prices to retailers. The Backman-Gainsbrugh summary shows that many enforced restrictions and reductions in service contributed to wartime increases in retailers' earnings in comparison to their expense. But a return to normal conditions will automatically eliminate the temporary difference between the income and expense ratio.

Any attempt of OPA to make retailers carry the increased costs of manufacturing which OPA has sanctioned to encourage reconversion and employment, can hardly act other than as a boomerang, for unless manufacturers have retail outlets, production will lag because hundreds of thousands of retailers cannot conduct business at a loss, or on a profit margin which does not justify operation.

Have the powers that be no confidence at all in the ability of American producers and retailers to again operate their own affairs under the laws of supply and demand? It will be interesting to watch how an official edict to make the retail branch of industry carry increased manufacturing costs instead of passing them on to the consumer, will turn out. Shortages will probably continue longer than they would have otherwise.

John Foster Dulles, political adviser for Governor Dewey during the campaign last year, was invited by Secretary of State Jimmie Byrnes to attend the meeting held in London. Most observers proclaim that this meeting was almost a complete failure. Dulles is of the opinion that Russia is bluffing in her demands. He does not seem excited that Stalin is asking for the world with a fence built around it. All of us hope that he is right. At the same time Foster upholds the demands of the American delegation.

Canyon remains about the driest spot in the Panhandle. Rainfall has been lighter during 1945 right here than at any government station in the Panhandle. Practically every part of Randall county has received much more rain than has fallen in Canyon. Naturally we can get along without the rain in Canyon, provided the farms of the county receive the rainfall. But the government accepted the total in Canyon as an index as to what is going on over the county.

DEAD CALM IN A HURRICANE?
YES ☐
NO ☐
In the very midst of a hurricane you'd be safe! Its center is sort of "hollow" . . . calm. All weather packs surprises, you bet—especially Winter weather. Yet you can bet on having your aging car face it safely, with the engine's insides under guard of OIL-PLATING!
Changing to Conoco Nth motor oil is all it takes for an OIL-PLATED engine—fortified throughout with lubricant bonded to metal direct, by the magnet-like action of Conoco Nth oil's added ingredient! OIL-PLATED metal defies corrosion and other wear. Surfaces kept OIL-PLATED during long cold waits have protective lubricant ready *in advance* to minimize starting wear. And always—the less wear, the less reason for carbon, sludge, and breakdown. You bet you want Conoco Nth oil for Winter. Change today.
CONOCO
For Station Identification!
The big red Conoco triangle identifies Your Mileage Merchant's Conoco station. There's where to get good gasoline today. But look for new hushed power—new high-octane—in his NEW-DAY GASOLINE! It's coming quick! —*WHERE YOU SEE THAT RED CONOCO TRIANGLE!*
Continental Oil Company
CONOCO Nth MOTOR OIL

The government keeps on predicting great unemployment. Yet every report from all of the large employment bureaus indicates a shortage of laborers. The trouble is that those who have been drawing high wages during the war will not accept the normal wage level of industry. Therefore, most of this so-called unemployment is self-imposed.

Fire Prevention Week is with us again. Protect your home by making a thorough inspection for fire hazards before cold weather really sets in. You cannot afford to have a fire now, in the face of material and labor shortages.

Most of the world's tobacco is raised in the United States.

A turkey has 3860 feathers.

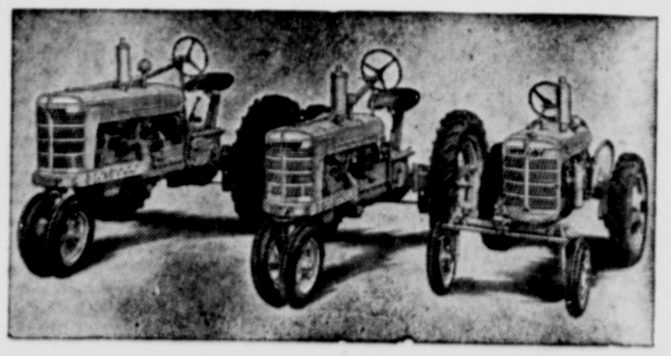
Farmers Elevator
Phone 300 Canyon

ALMOST AS GOOD AS NEW!



Of course you want a NEW Internaional when these machines are available. We wish we could tell you the exact minute when these farm machines would be ready for you. But so far this is impossible.

But while you are waiting for a new machine, just consider the wear that still remains in our old machinery. INTERNATIONAL puts the stuff in these machines that makes them run for many years after they should ordinarily be piled up for the junk dealer.

Furthermore, INTERNATIONAL keeps parts coming to us so that we can prove to every farmer that these machines will out-last and out-live much farm equipment that you might have.

And as a last argument, INTERNATIONAL sees to it that the mechanics who service your farm equipment are trained, and ready to give you the very best service that is available—service which you will appreciate and on which you may depend. Our work is guaranteed.

INTERNATIONAL will have the new equipment as soon, or sooner, than most equipment lines, but in the meanwhile, see us about getting your farm equipment for the big feed crop that farmers must raise for 1946 in order that the unfortunate peoples of Europe and Asia may have something to eat.

THOMPSON'S

West Texas Is Loser Again

Krall and Rumley Threaten Constantly As Jinx Is Broken

The New Mexico University Loboes, mostly navy trainees, played as predicted Saturday night at Buffalo Field as they outscored the Buffs, 13-0. Buffalo Stadium was packed with W. T. supporters cheering them on, but an inspired Lobo eleven went all out to break the so - called "jinx." Interesting is the fact that N. M. U. had not been able to defeat the Buffaloes in several years. Last year the Buffs beat the New Mexico team 19-12 in Albuquerque. This year the Loboes were led by a former hard-hitting Notre Dame star, Rudy Krall. The Lobo squad was not only heavy in weight but one of the speediest teams faced this year. their line averaged 220 pounds; the backfield averaged 190 pounds.

Lack Scoring Punch

Although the Buffs were never able to power over the pay stripe, they made several good attempts, driving down in New Mexico territory many times. In fact, the contest most of the time was anybody's game. The ball was continuously being moved from one end of the field to the other and the Buffaloes showed lots of stamina but suffered several injuries.

The game began with Rogers kicking to the N. M. U. 4 yard line and then making the first tackle. West Texas was able to hold the Loboes deep in their own territory for a bit and then Krall began to power through the Buffs for repeated gains. The West Texas State backfield, sparked by Rogers, Stafford, Bledsoe, and Greenfield, made good showings. Later Hunter, Hedges and Price came in with some good driving plays. Hunter came to the campus only last week from Oklahoma A. & M. He is a Freshman, weighing 168 pounds, with plenty of drive as shown by his gaining some 47 yards on the ground. Billy Greenfield looked especially good in the Buffalo backfield.

Touchdown by Pass

The first Lobo score came late in the second quarter as the squad drove to the 1-foot line. The Buffalo line pushed the Loboes back to the 9-yard line and then came the touchdown pass from Rumley to Gibson. Doar, center for N. M. U., kicked the extra point. Then early in the third quarter, Rudy Krall powered over from the Buff 25-yard line for the second score. Doar again tried for extra point but the kick was blocked by a fast moving W. T. line composed of Shaver, Browder, Leach, Lyons, Henderson, Terry, and Lynch.

Dave Browder and Hoss Bledsoe took advantage of N. M. U. errors as Browder recovered a Lobo fumble by Krall and Bledsoe intercepted one of their passes.

Now for a look at the game from the statistical side:

	Buffs	Loboes
First downs	4	12
Yards gained rushing	95	255
Passes attempted	17	20
Passes completed	4	7
Own passes intercepted	1	1
Pass gains in yards	40	119
Punts	7	3
Punt average in yards	26	36
Penalties	6	10
Penalty distance	60	105
Fumbles	2	3
Own fumbles recovered	1	2

The score by quarters:

West Texas State	0	0	0	0	0
Loboes	0	7	6	0	13

Substitutes for West Texas were: Hunter, Price, Johnson, Meyers, Stafford, Terrell, and Tidmore. Henderson went in for White early in the game.

The custom of using seals on documents has prevailed for centuries, in the East.

In China the mourning color is white; in early Egypt it was yellow; Ethiopia, brown; Turkey, violet.

The ancient custom of saying grace was observed as early as the 3rd century.

Elizabeth, Queen of Roumania (1843-1916) wrote as Carmen Sylva.

Titian colored hair was named for the noted artist Titian.

Buffaloes Face Another Strong Team Saturday in Amarillo

Sky Giants Wallop Lubbock AAF to Show Powerful Offensive

The Buffaloes will take on Amarillo Army Air Field at Amarillo's Butler Field Saturday night, October 13. Game time is 7:30 p. m.

At the first of the season, Capt. Dan Salkeld and Lt. Rish were not so sure of their team, but with a lot of new material adding much power, they are ready for all opponents.

Saturday night in Lubbock, the Sky Giants trampled the Lubbock Army Air Field Fliers, 26-0. Changing D'Ambrosi from fullback to tackle and placing big Johnny Blatnik at fullback seemed to work wonders.

Two other Sky Giants likely to give the Buffs a lot of trouble are Herb Burton, fast backfield man and excellent broken field runner. The other is a lineman and former semi-pro player with Wallington Cardinals in New Jersey—Bill Sadlik. Sadlik plays center for the Sky Giants.

Last year at the time West Texas State played Amarillo Field the Giants were rated as fourth service team in the nation. The final score of last year's game was Amarillo Field 38, West Texas 7.

Baptists Break Another Sunday School Record

Superintendent Virgil Henson of the First Baptist Sunday School reports that another new high attendance record was set when 556 people were present last Sunday morning at 9:45 for the Bible school which is composed of seven departments with superintendents as follows: Cradle Roll, Mrs. R. D. Oldham; Beginner, Mrs. John L. Hammond; Primary, Mrs. Fred Standley; Junior, Mrs. Ed Phillips; Intermediate, A. B. Holt; Young People, Mrs. Virgil Henson; and Adult, A. K. Goodman. Attendance in some of the departments crowded the spacious building, and emphasized the need for rapid completion and use of the remaining parts of the building.

During the revival services last week there were eighteen added to the church, with five of them coming by profession of faith for baptism.

The passenger pigeon became extinct in the United States in the 1880's.

Dairy Auction Sale

On account of feed situation and other conditions, we have decided to close out our Dairy Business at the Monroe dairy farm 1½ miles due west of Court Couse, Canyon, Texas, on

TUESDAY, OCT. 16

commencing promptly at 1 o'clock, the following described property:

64 CATTLE 64

18 Pure bred unregistered Holstein cows from 2 to 7 years old, all in production.
17 High grade Jersey cows from 2-8 years old, all in production.
1 Jersey cow, heavy springer.
6 Half-breed Holstein cows from 4 to 6 years old, all in production.
3 Pure-bred unregistered Roan Durham cows 5 years old, in production.
5 Mixed Jersey and Durham cows 2 to 6 years old, in production.
1 Guernsey heifer, 2 years old.
9 Heifer calves from 2 to 6 months old, mostly Jerseys.
3 Mixed breed Bull calves.
1 Registered Holstein Bull 15 months old, from Tierra Blanca Farms.

SADDLE HORSE

1 Smooth mouth sorrel saddle horse, gentle.

DAIRY EQUIPMENT

Farmall regular Tractor on rubber, A-1 condition.
Manure drag.
24-inch Cherry Burrell Aerator, almost new.
22 10-gal. milk cans, mostly new.
2-compartment Washing Vat.
Buckets, Strainers, Etc.

If you are interested in increasing your milk production, don't miss this sale.

TERMS: CASH

CARVER BROTHERS

Ruth Gidden, Clerk and Sale Manager
J. W. McCrerey, Auctioneer

Note: 6-can IHC Cooler with Circulating Pump, nearly new, will be offered at private sale. Also Surge milking machine, complete with compressor, 2 buckets and ½ h. p. motor.

Capt. Hite Is Visitor Here

Former Prisoner of Japanese Recovers His Health, Weight

Capt. Robert Lowell Hite, Doolittle raid co-pilot, who was a prisoner of the Japanese for forty months, visited his alma mater, West Texas State, Wednesday.

Capt. Hite attended school here in the fall of 1937 and in the spring of 1940. He went into the Air Corps in September of 1940.

"I like the Army very much. I may make a career of it," he said. "Or I may continue my work in agriculture."

This was the first time Capt. Hite had seen the new Science Building. He was pleased by the progress made by W. T. since he last saw it.

Capt. Hite was looking fit and ruddy despite his years of solitary confinement in Japan. He talked freely of his experiences.

"The human body is a marvelous thing," he said in telling how he remained alive despite starvation, confinement, and exposure to temperatures as low as eight degrees below zero, while improperly clothed. He was not permitted to wear shoes in his cell.

His spirits rose rapidly after he was removed to China and he saw the frenzied Japanese defensive efforts and practices. Then he rejoiced as American bombing planes made frequent raids. Only in the last few months of his imprisonment did he have communication with other American prisoners.

Breakfast Forum To Hear Findley

The Rev. Joseph Findley, minister of the Christian Church, will speak at the Breakfast Forum of the Little House of Fellowship at 9 a. m. on October 14.

His subject will be "The Future of Christianity in Japan."

College students are invited to attend the forum, and those wishing to do so are asked to call Mrs. Long at 410-W in advance.

Frank Winfield Woolworth was the founder of the ten cent store (February 1879).

Wildcats Are Winners, 40-0

Panhandle Will Be Next Opponent of W. T. High School

The Canadian Wildcats downed the W. T. Calves Friday night, 40-0.

The first quarter found the Wildcats threatening the Calves' goal. Hopkins carried the touchdown and the extra point across. The second touchdown was made by Lopez.

The second quarter found Hopkins and Lopez eating up the field for two more Canadian touchdowns.

The Calves played a hard game and showed good sportsmanship. They played a good ball game and a good ball club. A better game is expected next Friday night when the Calves meet Panhandle.

The line ups:

Webb	re	Russell
Price	rt	McDonald
White	rg	Axe
Nix	c	Knighton
Hill	lg	Boling
Popham	lt	Dutton
Curnutt	le	Hooper
Lopez	qb	Jennings
Hopkins	lhb	Hunter
Blackmore	rhb	Stone
Poindexter	fb	Ewton

Substitutions were SoRelle, Carter, Knott, Airhart, Jones and Lehnick.

Wayside Items

(Too late for last week.)

Glen Franglin, who has been in Colorado for several months, is visiting in the parental W. R. Franklin home.

Mr. and Mrs. W. R. Franklin called in the Roy Franklin home Sunday afternoon.

Mr. and Mrs. Oren Fisher announce the arrival of a baby girl, born Friday, Sept. 28.

Dan L. Adams is still in the hospital but hopes to be home soon.

John Stockett spent the week end with his family in Canyon.

Mohammed's tomb is in Medina, Arabia.

Landlord Presents Bonds for Babies

$25 War Bond for Each Kid Born on His Property.

CLEVELAND.—If you're looking for a landlord that not only loves children but pays a $25 war bond for each child born on his property, you can find him in Cleveland.

Henry Solomon, like his Biblical namesake, is quite a guy. He's a man of deep philosophy, a lover of children and the owner of several apartment houses.

Recently he paid for his 56th child, David Michale Miller, born to Cpl. and Mrs. Pierce Miller, tenants of Solomon.

The apartment owner has been giving cash to every child born to his tenants for a good many years.

The reason for Solomon's benevolence dates back to 1923 when he, his wife and three-year-old daughter came to Cleveland from Hungary. Door after door was slammed in his face by landlords who disapproved of children.

"I resolved then that if I ever owned any property for rent nobody would experience the same heartache that I had felt," he recalled.

And Solomon followed through. Today 90 families, 50 per cent of which are families of servicemen, rent apartments from him. He is particularly anxious to have servicemen's wives and children. He thinks it is his — and other landlords'—duty to provide living quarters for families of our fighting men.

Solomon's standard rate of payment used to be $5 for the first child, 10 for the second, $20 for the third and so on. He raised his donation at the outset of the war. The doubling business continued, however, with each subsequent addition.

Incidentally, he has promised that if one of his tenants gives birth to quintuplets, the apartment building in which they live shall be theirs to have, to hold, and to pay taxes on.

Descendant of British King Dies in California

WATSONVILLE, CALIF. — Mrs. Bertha Ord Rowe, 71, great-granddaughter of King George IV of Great Britain, died here recently.

Mrs. Rowe's grandfather was James Ord, son of a morgantic marriage in 1785 between the then prince of Wales and Lady Fitz-Herbert, a reigning beauty of London.

The prince became King George IV, and the son, ineligible to the British throne, assumed the name of Ord and came to the United States about 1800. One of his sons was Maj. Gen. E. O. C. Ord of the Civil war, after whom Fort Ord, Calif., was named, and another was John S. Ord, a farmer in Santa Cruz county, father of Mrs. Rowe.

British Women Buy Up Reconditioned War Suits

LONDON.—Approximately 225,000 reconditioned battle suits, dyed green and sold at $4 and six coupons each, have been snapped up by British women as being the best clothing bargain of the war.

The wardrobes of Britain's women are so depleted, their coupons for replacements so inadequate, the stocks of clothing in the shops so shoddy and inferior, that a pure woolen, well-made battle suit is irresistible.

Bargains like this are invariably snapped up as soon as they appear. The days when a party invite or a new date meant a new frock are forgotten.

Man Runs Into Bad Egg After Selling Chickens

CHICAGO, ILL. — Waldo Barton, Pine Village, Ind., sold a truckload of chickens here for a nice sum but ran into a bad egg.

Barton told this story to police:

Having collected $720 for the chickens he stopped at a tavern and met a Negro who called himself "Willie." "Willie" told Barton he knew where they could buy cigarets and Barton accompanied him. Outside, "Willie" knocked him down and helped himself to the chicken "gravy" — $720 worth.

Bureau Limits Taxpayers To Just One Wife a Year

WASHINGTON.—As far as the tax collector is concerned, a man can have only one wife in one year.

This ruling was made by the bureau of internal revenue in a case from Missouri.

The taxpayer's wife died in 1944, and he remarried within the year, claiming each of the wives as a dependent. The bureau said, in effect, that it limited wives to one a year, and allowed only one $500 exemption, instead of two.

More New Industries Established in Mexico

MEXICO CITY.—More than 180 industries with capital totaling $42,200,000 have been established in Mexico under a law granting five year tax exemption to "necessary" plants.

Industries making mechanical devices comprise 32 per cent of the total capital. Next in order are paper, construction materials and chemical products plants.

Two-thirds of the new companies are in Mexico City or its environs.

Saratoga was the decisive battle of the American Revolution.

NOW 4 X POINTS FOR USED FATS

Help Increase Supplies of Soap and Other Peacetime Products By Saving More Used Fats

Industrial fats far short of last year! We are almost down to the bottom of the barrel. The nation's industrial fat supply is millions of pounds less than it was in 1944. We need fully as much as last year to help make the soaps and other civilian goods you want and need so badly. So . . .

If you want more soap and soap flakes . . . if you're dreaming of nylons, sheets, cotton fabrics and want them to hurry back to the store counters . . . you can help by saving those used kitchen fats as you never saved before! Save every drop, every day!

These fats are vitally necessary to help speed greater supplies of soaps and hundreds of other things—like new cars, electric washers, irons, refrigerators and tires. Industry must have these fats . . . to help get to you more quickly the peacetime products you've been longing to have for years!

So skim and scrape and scoop just as you did so faithfully before V-J Day. To prove how important it is, your government has increased the point bonus. So help meet this nation's need by continuing to save used fats. If you can't find a store that accepts used fats, call Home Demonstration or County Agent.

Invest your Printing Money in Canyon

PAY YOUR TAXES EARLY--SAVE DISCOUNT

The Commissioners Court of Randall County has authorized the Tax Collector to give the discount on all taxes as provided by the recent legislature as follows:

3 per cent if paid during October, 1945

2 per cent if paid during November, 1945

1 per cent if paid during December, 1945

This discount is on all State and County taxes that are collected by the County Tax Collector and also applies to all school taxes collected at this office.

Sheriff, Tax Assessor and Collector
Randall County, Texas

Protein Shortage Calls for Careful Feeding Livestock

An acute shortage of livestock and poultry, particularly high protein ingredients, has developed as a result of the large animal and poultry populations. The possible effects of the situation are so serious that special bulletins have been prepared to emphasize its importance.

The United States Department of Agriculture has made certain recommendations to help conserve and make the most efficient use of available supplies, particularly during the next 60 to 90 days. After that, the new crop of vegetable proteins will be available, and, if a reasonable adjustment in numbers of poultry and livestock is made, the critical situation should be alleviated. Purina Mills is endorsing these recommendations in so far as it is practical for farmers and feeders to follow them:

Poultrymen

1. Market as broilers and fryers all chickens hatched since June.
2. Cull laying flocks closely.
3. Do not expand present broiler operations.
4. Make sure of feed supplies before buying chicks during the next 60 to 90 days.
5. Turkeymen in grain-growing areas should feed heavily on grain.

Dairymen

1. Make maximum use of fall pastures, hay and silage.
2. Limit the protein feeding as much as possible while pastures are good.

Hogmen

Feed protein supplements to the brood sows and fall litters first. While proteins are in limited supply, limit the amount fed to the heavier market hogs. Market hogs which weigh over 200 pounds can get along better without any protein supplements than a brood sow or a baby pig can on a limited amount. Hogmen should take advantage of the good pastures available in most areas.

Beware Coughs
from common colds
That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Wild Horses Are Leaving Plains

Mustangs Once Gave Color To Romantic Life on the Western Ranges.

SALT LAKE CITY. — Wild horses —the colorful, freedom loving mustangs of the wide open spaces—are disappearing from most of the western range lands.

Like the buffalo and elk at the turn of the century, they are becoming fewer and fewer. The cause is not men's inhumanity and lack of foresight; depletion of the mustang herds is proceeding according to plan.

Wild horses merely are stage sets on the western scene. They perform no useful function. Instead, they eat fodder that can be put to better purpose in feeding shorthorn steers and sheep.

Meat is more important in war time than stage settings. Besides, few tourists ever glimpsed the swift mustangs. They roamed the wildest, most inaccessible areas. So in March, 1943, an order closing all federal grazing districts in the 10 western states to wild horses was signed.

Clearing the range of wild horses was more difficult than signing a paper. At first, huge roundups were organized. Chap-clad waddies, another fast disappearing specie of the Old West, rode on week-long expeditions into the bad lands bordering the ranges. For it was there the mustangs fled when pursued, says the Chicago Tribune.

Many Got Away.

Riding fast horses and changing them frequently, cowboys herded the mustangs into dead end draws. But the skittish creatures too often overcame their fear of man when cornered and bolted through the lines of waddies to freedom.

So this strategy gave way to a plan of rounding up 10 or 15 at a time. Winged corrals were built, sturdy and camouflaged, with the entrance funnels pointing outward to wide mouths. Small planes and "ground forces" worked together. The planes "spooked" the mustangs, keeping them moving toward the trap. Waddies drove occasional strays into the herd.

When a score or so of mustangs were bagged, trucks carried them to shipping points for transportation to disposal plants. They yielded tankage for hogs, food for fox farms, chickens, pets and such by-products as fats, hides, glue.

The more likely looking cayuses were cut out for saddle ponies or for light farm work in the midwest. There were few of the magnificent stallions famed in western stories. Wild horses look gaunt beside well fed farm stock. Their existence, though free from man's dominance, is governed by harder laws of nature. And nature has no work incentive such as man for preserving horses.

Fixtures of the Range.

But the mustangs are a hardy breed. The wild horses of the range — descendents of horses strayed, abandoned, or stolen by Indians from the Spanish conquerors of the southwest in their 16th century gold hunting expeditions — have been roaming the western plains for centuries.

Their numbers increased rapidly and, domesticated by the Indians and later by the cowboy, the tough wiry animals played a large part in the history of the west.

C. L. Forsling, grazing service director, with headquarters in Salt Lake City, estimates there were about 100,000 wild horses on federal range in the fall of 1942. The service reported 25,273 wild horses were removed in 1943. By June 30, 1944, the bag had reached 77,163.

There was room on the range for more cattle and sheep.

The big roundup, in small segments, continues. But the wild horse will not soon be extinct. He's tough. In the back country where the breaks of deep cut rivers cross mountainous desert land, the herds still run.

Mustard Gas Discovered In Stores Nazis Gave Up

WITH U. S. 7TH ARMY. — A German officer approached the 44th division lines under a white flag and offered to surrender a huge ammunition dump at Traunstein, southwest of Inssbruck, Austria. Investigation showed that the dump, besides ordinary ammunition, contained 5,495 tons of German liquid mustard gas, 12,000 tons of Hungarian and Italian mustard gas, 11,000 tons of gas shells of various calibers, 21,000 gas shells of French make and 100,000 cases of gas for spray guns.

Soldiers Taller, Have Bigger Feet Than Dads

WASHINGTON, D. C. — The army turned up the information recently that the soldier of this war is taller, slimmer, and has bigger feet and larger head than his dad in 1917 and 1918. The calculation was based on average clothing sizes for the two wars. Even though bested in other ways, dad had a bigger chest and a larger neck.

Canada is the world's greatest wheat-exporting country.

No doubt some of the older readers heard Bob Taylor of Tennessee deliver his famous lecture, "The Fiddle and the Bow." He told of listening to a great master play on his wondrous violin and of how the music conjured up a dream:

I saw a cottage among the elms and oaks and a little curly head at the door. He toddled under the trees, prattling to the birds and playing with the ripening apples that fell upon the ground. He toddled among the roses, and plucked their leaves, strewing their glory upon the green grass at his feet. He chased the butterflies from flower to flower and shouted with glee as they eluded his grasp and sailed away upon the summer air. Here I thought his childish fancy had built a paradise and peopled it with dainty seraphim and made himself its Adam.

He saw the sunlight of Eden glint on every leaf and beam in every petal. The flitting honey bee, the whirling June bug, the fluttering breeze, the silvery pulse-beat of the dashing boork sounded in his ears note of its swelling music. The iris-winged humming bird, darting like a sunbeam to kiss the pouting lips of the upturned flowers, was to him the impersonation of its beauty. And I said, "Truly, childhood is the nearest approach in this world to the paradise of long ago."

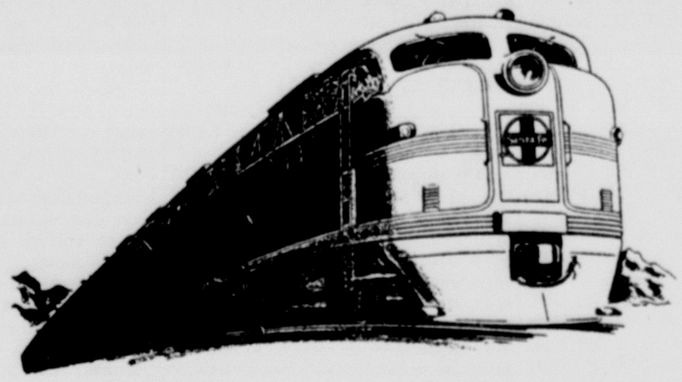
Then I saw him slip on his tiptoes into the pantry; and there was the clink of glassware, as though a mouse were playing among the jam pots and preserves. There two little dimpled hands made trip after trip to a rose-colored mouth: bearing burdens of mingling sweets that dripped from cheek and chin and shirt and shoes, subduing the snowy white with the amber of the peach and the purple of the raspberry as he ate of the forbidden fruit.

Then I saw him glide into the library and soon there was a crash and a thud in there which brought a frightened mother into the room, only to find the young rascal catching his breath, while streams of cold ink trinkled down his drenched bosom; and as he wiped his inky face, which grew blacker with every wipe, the remainder of the ink was poured from the bottle down on the carpet, making the map of darkest Africa. Then the avenging slipper in lightning strokes—and I said, "There is paradise lost!"

(To be continued)

It's a lot easier to go straight than to get straight after you have gone crooked.

Doin' it with Diesels on the Santa Fe



Hauling heavy freights over the steep mountain grades calls for plenty of head-end power.

Santa Fe is providing a lot of that power with the greatest fleet of 5400 horse-power Diesel locomotives in American railroading.

80 of these blue and yellow giant "head-ends"—the most powerful freight Diesels in the world—are now in operation on the Santa Fe.

This dieselization program is one of many important steps by Santa Fe in providing the most modern freight equipment for the peacetime transportation needs of America's West and Southwest.

Six of the big fleet of Santa Fe freight Diesels at a service base.

MOTHER-IN-LAW CLUB MEETS WITH MRS. T. W. LANGSTON

The Mother-in-Law Club met Thursday, October 4, at 3:00 o'clock in the home of Mrs. T. W. Langston.

Mrs. R. D. Lowry called the meeting to order and the following members answered roll call: Mrs. M. E. Sorgee, Mrs. Otto White, Mrs. M. E. Cleavinger, Mrs. Jessie Reid, Mrs. Chas. Stratton, Mrs. E. C. Penick, Mrs. Dan Higgins, Mrs. W. S. Myers, Mrs. T. S. Trowbridge, Mrs. G. B. Cole, Mrs. R. D. Lowry, Mrs. C. V. Anderson, Mrs. W. I. Wester, Mrs. R. E. Foster, Mrs. Josie A. Combs, Mrs. R. M. Gibbs, Mrs. G. W. Cox, Mrs. N. A. Croson, Mrs. R. B. Holland, Mrs. Fred Marshall, the hostess and her daughter, Mrs. Winston Wallenger and baby.

During the business hour Mrs. White gave a financial report and the new treasurer, Mrs. R. M. Gibbs assumed her responsibilities.

Mrs. Cleavinger directed the following program: Reading, "An Old House Clock," by Mrs. Foster; piano numbers by Mrs. Wallenger; reading, "No Occupation," by Mrs. Penick; group song, "Silver Threads Among the Gold."

Dainty refreshments of punch and home made cookies were served at the social hour.

HIGHLAND H. D. CLUB MAKES SELECTION FOR PLAY DAY

The Highland Home Demonstration Club met with Mrs. Clyde Jones on October 2.

Mrs. John Broaddus, chairman of the play committee, recommended three one act plays. The club selected "Domestic Tie-Up." Mrs. L. E. Mason read the play to twelve members: Mrs. C. B. Fuqua, Mrs. Geo. Cook, Mrs. A. N. Green, Mrs. Lane Cotter, Mrs. Temple Jarnigan, Mrs. L. E. Mason, Mrs. L. J. Fulton, Mrs. John Broaddus, Mrs. Cretsinger, Miss Lou Ella Patterson, Mrs. Alma Moore and the hostess, Mrs. Clyde Jones.

Next meeting will be an all day meeting at Mrs. Geo. Cook's on October 16.

Buy Baked foods, tea towels, feed sacks at H. D. Country Store, American Legion Hall Saturday. 1t

CENTERVIEW H. D. CLUB MEETS WITH MRS. SHARPES

On October 4, the Centerview Home Demonstration Club met in the home of Mrs. S. F. Sharpes for a demonstration of home improvement.

Under the direction of the president, Mrs. Dell Zachry, the program consisted of reports on home improvements and an interesting book review by Mrs. Wise. Mrs. Sharpes showed her attractive home that had developed from beginning a renovation of her dining and living rooms. Cooperators report included the following: 3 families had bought new dining room suites, or new cook stoves, or built concrete walks, or built concrete porches, or added bathrooms; 2 members had bought new bed room suites, painted their houses, added wash rooms or papered bedrooms; 7 had bought new rugs; 1 had rebuilt a kitchen, built a new milk barn, reroofed a milk barn, built a new garage and bunk house, built a new bedroom, changed an old building into a hen house, added venetian blinds, stuccoed house and garage, dug cess pool, or added freezing unit. In addition a number had added accessories such as curtains, bed spreads, towel and dish racks.

The hostess served pumpkin pie topped with whipped cream, toasted nuts, coffee or tea to the following guests: Mrs. J. H. Holly, Mrs. Claton Devin, Mrs. Sam Sluder, Mrs. Estelle Lightfoot and members: Mrs. J. W. Wesley, Mrs. E. W. Schaeffer, Mrs. Earl Wesley, Mrs. Dellas Zachry, Mrs. C. W. Bauer, Miss Lou Ella Patterson, Mrs. Howard Slack, Mrs. Alfred Allen, Mrs. T. G. Knox, Mrs. Serena Bryan, Mrs. A. E. Wise.

ROSE APPLEBY CIRCLE HAS BIRTHDAY LUNCHEON TUES.

Members of the Rose Appleby Circle met Tuesday at noon in the home of Mrs. Lonnie Byars for the birthday luncheon honoring Mrs. L. C. Ponder and Mrs. Carl Hair.

Mrs. Tom Gooch brought the devotional and Mrs. Grace Knighton led in prayer.

After the business meeting which was presided over by Mrs. Winnie Hicks, an interesting program was given by Mrs. R. C. Hillier, who used as her theme "Onward Christian Soldiers.

Those present were: Mrs. H. T. Wilcher, Mrs. R. A. Hodges, Mrs. Boyd Moore, Mrs. Frank Hicks, Mrs. Burney Slack, Mrs. D. M. Foster, Mrs. Hair, Mrs. Ponder, Mrs. W. R. Crow, Mrs. C. O. Elkins, Mrs. Knighton, Mrs. A. G. Brant, Mrs. Lee Johnson, Mrs. Gooch, Mrs. Hillier, Mrs. F. B. Parker and the hostess.

Next Tuesday at 3:00 o'clock the circle will meet with Mrs. W. R. Crow.

MRS. J. J. WRIGHT HOSTESS TO WEST SIDE H. D. CLUB

The West Side Home Demonstration Club met Wednesday, October 3, with Mrs. J. J. Wright for the program on Home Improvement Achievement.

During the session a skit was given by Mrs. W. G. Roberts and games were enjoyed by all.

At the refreshment hour bread and butter sandwiches, cherry pudding and hot tea were served to visitors, Mrs. B. B. Cluck, Mrs. Chas. Stallings, Mrs. T. C. Gooch; members, Mrs. John Hunter, Mrs. Ed Bourn, Mrs. W. L. Avent, Mrs. W. C. Roberts, Mrs. J. B. Hager, Mrs. R. A. Burrus, Mrs. J. A. Smith, Mrs. John Bryan, Mrs. Joe Baber, Mrs. Bradley Burrus, Mrs. Burum Fewell, Mrs. Lewis Tucek, Mrs. J. W. Bourn, Miss Lou Ella Patterson and the hostess.

The next meeting will be a covered dish luncheon with Mrs. Ed Bourn on October 17.

W. T. HOME EC. 1-A CLASS MAKES PLANS FOR YEAR

The Home Ec. 1-A Class has planned to cover five units in the first semester. These units are as follows:

Unit 1: How to win friends—3 weeks.

Unit 2: How to make our homes more livable and attractive—4 weeks.

Unit 3: First-Aid—1 week.

Unit 4: How to plan, prepare and serve attractive wholesome meals—9 weeks.

Unit 5: How to entertain our friends—1 week.

Anyone is welcome any time to visit our homemaking department.

Country Store opens at 1 o'clock Saturday at the Legion Hall. 1t

EXECUTIVE COMMITTEE PLANS YEAR'S WORK FOR LOCAL PTA

Twelve members of the Parent-Teacher Association executive committee met recently in the home of Miss Elva Fronabarger to plan the year's work.

Programs as outlined by the program committee were read and approved. the committee voted to have the year books printed and voted to sponsor the annual Hallowe'en Carnival on the night of October 31.

For the past several years the Study Club of the P. T. A. has met each month for one hour of study. This is changed this year to 2 hours of study every other month.

PRISCILLA CLUB MEETS IN HOME OF MRS. I. W. SORELLE

Wednesday afternoon, October 3, members and guests of the Priscilla Club met in the home of Mrs. Irwin SoRelle to spend an afternoon at needle work.

A salad course with coffee was served during the tea hour to Mrs. J. J. Walker, Mrs. S. B. Loudder, Mrs. Hud Prichard, Mrs. Frank Hicks, Mrs. E. D. Walker, Mrs. Clyde McElroy, Mrs. Madison Daugherty, Mrs. C. M. Presley, Mrs. C. M. Dowlen, Mrs. J. L. Duflot, members and Mrs. Tom Knighton, Mrs. T. M. Moore, Mrs. Tommie Chambers Smith, Mrs. Dan Altman and Little Miss Judy Altman, guests.

MISSES MOORE AND BRIGHAM ENTERTAIN WITH TEA SUNDAY

Sunday afternoon Miss Helen White Moore and Miss Pauline Brigham entertained with a tea.

Mrs. Margaret Foster poured from a beautifully appointed tea table.

Guests for the occasion were: Miss Margaret Barrett, Miss Maude Cuenod, Miss Nell Green, Miss Edna Graham, Mrs. A. M. Meyer, Mrs. Wallace R. Clark, Miss Ada Clark, Miss Mary Guensted, Miss Matilda Gaume, Miss Anita Goodrich, Miss Adelle Barnes, Miss Wilma Herring, Miss Katie McCluney, Dr. Hattie M. Anderson, Mrs. Dorothy Brown, and Mrs. Herschel Coffee.

LADIES AUXILIARY MEETS AT PRESBYTERIAN CHURCH

The Ladies Auxiliary of the Presbyterian Church met in the parlors of the Church, October 9 with 10 members present.

Mrs. Harvey Cash having resigned as vice president, Mrs. A. L. Clark was elected to that office.

After the business session, the program was given by Mrs. Nancy McCaslin and Mrs. S. L. Ingham. Mrs. McCaslin gave the "Sermon on the Mount" as one of her favorite Bible chapters. Mrs. Ingham gave the 1st chapter of "Spiritual Preparedness." Mrs. Harris offered the prayer for missionaries and Mrs. R. W. Jones gave the closing prayer.

RANDALL COUNTY COUNCIL PERFECTS FAIR PLANS

Randall County Home Demonstration Council met in the Council room at the court house on October 6. Mrs. S. G. Elliott presided.

Plans were discussed for the County Wide Harvest Fair to be held October 13 at the American Legion Hall.

Play Day, which will give each club member in the county a day of recreation, was discussed. The number of man-hours each club member had worked this summer was reported.

Mrs. R. L. Campbell, district vice-president met with the Council.

Miss Dorothy Roberts, the Council scholarship girl, was introduced.

MR. AND MRS. F. ROGERS HONORED WITH SHOWER

To honor Mr. and Mrs. Frank Rogers with a wedding shower, approximately 65 guests gathered at the home of Mr. and Mrs. J. W. Wesley Friday evening, October 5.

Miss Vesta Amerson presided at the guest book.

Apples and cigars were served to the crowd.

A number of gifts were sent by invited guests who were unable to attend.

1930 BRIDGE CLUB MEETS AT COUSINS WITH WOFFORD

Mrs. Ann Wofford was hostess to guests and members of the 1930 Bridge Club Friday afternoon at Cousins Hall.

At the refreshment hour a dessert course with coffee was served to Mrs. A. W. Sternenberg, Mrs. Gus Miller, Mrs. C. A. Murray and Mrs. Edwin Brown, guests, Mrs. R. P. Jarrett, Mrs. S. L. Ingham, Mrs. C. R. Burrow, Mrs. R. A. Terrill, Mrs. D. A. Shirley, Mrs. Clyde W. Warwich, Mrs. John Humphreys, and Mrs. F. E. Savage, members.

NEW OFFICERS OF LEGION AUXILIARY ASSUME LEAD

New 1945-46 leaders in the work of the American Legion Auxiliary are: president, Mrs. H. E. Campfield; 1st vice president, Mrs. Ray Campbell; secretary, Mrs. Ted Reid; treasurer, Mrs. Frank R. Phillips; Chaplain, Mrs. Clarence Thompson; sergeant at arms, Mrs. Clyde W. Warwick; historian, Mrs. Geo. A. Farlow; membership, Mrs. Madison Daugherty.

DOUBLE RING CEREMONY FOR BERNIE BEAN - BUD HEFFENER

Miss Bernie Bean and Bub Heffener were united in marriage, Tuesday, Oct. 2, at Claude. Both Mr. and Mrs. Heffener were formerly of Canyon. A short trip was taken to Memphis to visit Mrs. Heffener's father, E. Bean.

Visit the Country Store at Legion Hall Saturday, October 13. 1t

College Entrance Discussed Tuesday at Rotary Cub

Registrar D. A. Shirley discussed changes in college entrance requirements during the past 25 years. Before a central accrediting agency was established, college entrance was obtained by examinations. Universities in the middle west took the lead by declaring the graduates of good high schools should be admitted without examinations. Michigan took the lead.

Until the legislature designated the State Education Department as the accrediting agency of the state, the University of Texas was the recognized agency.

In 1910, when West Texas State opened, there were only 139 accredited schools in Texas. Amarillo was the only one in this area. Forty units were recognized for college entrance. Mr. Shirley showed a chart which showed the increase of accredited high schools and the increase of recognized credits. In 1945 there are 1322 such schools, and 159½ units are recognized. These units cover practically every subject. College authorities have protested the changes, especially the decline in required mathematics. As a result, college science professors find very few high school graduates are qualified to carry on these subjects. High school superintendents take the position that students are given a wide choice in order to prepare them for life. College administrators believe that "good preparation for college admission is good training for life," stated Mr. Shirley.

Visitors were: Henry Sears, president of the Hereford Rotary Club, F. E. Collier of Hereford; Otis R. Terry of Pampa; Roy Boger, Emil Meyers, Arthur Osgood, W. S. Norman, E. Kancher, Frank Barnes, Arch Hunsley, all of Amarillo; Coach Gus Miller of Canyon.

Mrs. John S. Humphreys, Mrs. T. H. Knighton and Mrs. Clyde Warwick attended the D. A. R. meeting in Amarillo Monday.

Pvt. Arthur Bailey Duncan, III, who is stationed at Alamagorda, New Mexico, spent the week end in the parental A. B. Duncan home.

Sgt. Robert Parsons is visiting his wife and daughter, Judy, on a 15 day furlough from Camp Polk, La.

Claudine Foster, cadet nurse at St. Anthony Hospital, visited in the parental Mark Foster home Monday.

See Harvest Fair, Saturday. 1t

Chapel Project Has Interested Many Educators

Many inquiries concerning the West Texas State chapel building project are coming to President J. A. Hill.

One comes from Charles W. Hunt, secretary-treasurer of the American Association of Teachers Colleges. "You have undertaken a program which will be followed with great interest by teachers college people all over the country," Dr. Hunt wrote.

Another recent inquiry was from Dr. William H. Vaughan, president of Morehead State Teachers College in Kentucky.

Mrs. Claude Gilliam and daughters from Webb City, Mo., have moved to Canyon.

Judge and Mrs. C. F. Hill of Dalhart visited their daughter, Mrs. Clay Cooper and family last week.

Carl Wesley of Gallup, N. M., and Leroy Wesley of Claude are visiting their mother, Mrs. W. M. Rogers.

Mrs. C. M. Thomas of Amarillo attended to business in Canyon Thursday.

Mrs. Maude Arnold of Memphis has moved to Canyon to make her home.

Capt. and Mrs. H. L. Stone and son, Tabor Rodger, visited in Ft. Worth, Dallas and Waco this week.

When we see two women kissing we always think of two boxers shaking hands before the fight starts.

The man who is waiting for something to turn up might start on his shirt sleeves.

What we know today as royal purple was originally a deep crimson.

The facade is the principal front of a building.

Student Union Is Completed

Attractive Furnishings Are Provided; Fountain, Lounge Are Ready

Students are gathering daily to have fun and get acquainted at the wide, white building located on the campus at 319 24th Street. It is the new Student Union, managed by J. L. Gilmore, which has just been completed and furnished.

West Texas State College bought the building in April from W. S. Amend. It was formerly occupied by the College Oasis and a Helpy-Selfy laundry.

In the South side of the building is the College Bookstore, which has previously been located in the basement of the Administration Building. Almost everything from jewelry and cosmetics to T-shirts and school supplies is on sale here. The bookstore is behind a counter at the back of the building. Offices are in the balcony above the bookstore and a storeroom is in the basement.

A new fountain extends along the south wall, and equipment in this part of the building includes a coke machine; two games, "Pike's Peak" and a machine gun game, "Sky-Fighter," and even some scales for students who may be worried about their weight. Four large red leather-covered booths add to the comfort of the place.

Four divans and innumerable other chairs and tables line the recreation room of the Student Union. A juke box and piano provide music for the crowd. Magazine racks and table will provide reading material for the quieter and more studious young people, and, to give the finishing intellectual background, an unabridged dictionary sits to one side of the room. Further recreational facilities are provided by two ping-pong tables, and card tables for games.

Student Union personnel now includes, besides Mr. Gilmore, Mrs. Olivia Oldham, assistant manager, Mrs. Renalda Hedges, Eva Richert, Janice Leggitt, Sybol Oliver, Marilyn Leggitt, Jean Smith and Bill Ferguson.

Visitors Talk in Revival Week

To acquaint students with the local churches, a Revival Week was held from September 30 through October 7, during which guest speakers visited Canyon to deliver the addresses.

The Rev. Clarence N. Wylie, pastor of the First Presbyterian Church in Dalhart, led the services at the Presbyterian Church, assister by the Rev. Robert W. Jones, local pastor. Last October Rev. Wylie was elected Moderator of the Synod of Texas, the highest honor to be given by the Presbyterian Church in Texas.

A former graduate of West Texas State College and the Southwestern Baptist Theological Seminary in Fort Worth, the Rev. M. G. Upton, conducted services at the First Baptist Church, aided by Dr. Roy L. Johnson, local minister. Tommie Godfrey, a poet and singer well known in the Southwest, was the evangelistic singer.

At the regular assembly on Thursday, these ministers were guests appearing on the program.

On October 11 and 12 at the First Christian Church, H. Gray Russell, a returned missionary from Africa, will be guest speaker, as he was unable to be in Canyon during the Revival Week.

An Emergency Appeal

From Our Millions Still in Service

YES, the war is over . . . but not the work of several million G.I.'s!

Ask any soldier what "Occupation Duty" means—and he'll tell you it may be the most important job in the army right now, but one of the dreariest ones.

He'll tell you the novelty wears off soon, being in a strange country among strange people. That the Main Drag in Tokyo or Berlin can't compare with Main Street in Topeka or Boston.

There are millions of boys thousands of miles from home who'd give anything to listen to an American song, hear American jokes, or talk to an American girl again.

That's why the U.S.O. cannot and must not quit. Your dollars must keep it going. For if ever those boys needed a lift and a laugh, they need it now!

The need is so urgent that General Eisenhower asked U.S.O. Camp Shows to *quadruple* its activities after V-E Day to take care of the boys in Europe. And similar entertainment plans have been made for our forces in Japan and throughout the lonely Pacific outposts.

But that's not all . . .

U.S.O. Camp Shows also entertain the troops in transit . . . at debarkation and separation centers. U.S.O Clubs and lounges in the States, Alaska, Hawaii, the Philippines, and many other bases, give the boys "a home away from home." Some 500 U.S.O. Clubs are located near military hospitals . . . and special Camp Shows tour the wards . . . to keep the wounded on the sunny side.

Yes, millions still in service are depending on YOU for a bit of cheer. For a large part of every dollar you give to your local Community Campaign goes to support the U.S.O.

The need is greater than ever. So try to give more than ever, won't you? Show the boys *now* haven't forgotten them!

Give Generously in Victory...to

Your Community War Fund

Representing the **NATIONAL WAR FUND**

AN URGENT MESSAGE TO EVERY PEACE-LOVING AMERICAN

How to Help Keep Trouble From Brewing This Winter

"What's this talk of trouble brewing?" you ask. "Isn't the war just over?"

Yes . . . but another kind of war goes on for millions of people in Europe and the Far East. The war against hunger. Disease. Desperation. It's the people's fight for a chance to raise their heads. A chance to live again like human beings.

"How does that lead to trouble?"

When millions are desperately hungry and sick — then there's danger of uprisings, anarchy. For people who live with starvation at their side, who have little to look forward to in the way of new hope, soon become desperate people.

"What has this to do with me?"

It has everything to do with you. For there can be no true and lasting peace in America while there is unrest in Europe or the Far East. It is a threat to your peace —and the peace of the world—if we do not help our friends and Allies in Europe, the Philippines, and China, to rise again.

"Aren't the governments of our country and our Allies helping to relieve this situation?"

Much is being done by our own and Allied governments. But much that governments cannot do is needed. As President Truman said on this score . . . "The private agencies of the National War Fund have a special task to do that is indispensable and unique."

"How can I help?"

You can help our friends and Allies—and help build a sounder peace for everybody—by giving through your local community campaign to the National War Fund. For part of every dollar you give sends food for their weak. Medicines for their sick. Clothes and shelter for their ragged and homeless. But the biggest thing your money helps buy is freedom from despair. New hope to go on. Faith to believe again in mankind.

"How about our own people?"

Yes, there's still a job to be done for our own, as well as for our Allies. For our own service men and merchant marine abroad—through the U.S.O. and United Seamen's Service. For our own people right here at home—through the local health and welfare agencies of our Community War Fund.

Give generously to your local community campaign, won't you? In Victory, your dollars are still needed!

Give Generously in Victory . . . to

Bands Are to March Here

Annual Contest to Provide Feature at November 3 Game

Gaily attired high school bands will come to West Texas State on Saturday, November 3, to compete in their annual marching contest.

The decision to hold the contest here was made at a Region I meeting of the Texas Music Educators Association at Amarillo on October 2. The invitation was extended by Band Director Glenn A. Truax of West Texas State, who is chairman of the contest committee.

The occasion will be that of the football game between the Buffaloes and Lubbock Army Air Base, but marching contest will begin two hours before the kickoff. Fans will be invited to come early to view the bands.

Regional directors of bands, orchestras, and choirs also accepted an invitation from West Texas State to hold their annual clinic here in the early spring. Massed bands, orchestras, and choirs will be features of the clinic, which will last two days.

Similar clinics have been held here for two years.

Baptist Church Study Campaign Next Week

Miss Nella Casement of Dallas, Training Union field worker, will lead a campaign next week at the Baptist Church in Canyon. During the week, beginning Sunday evening at the 7:00 o'clock Training Union hour, seven study courses will be offered, including a class for each age group, and the teachers will be, in addition to Miss Casement, Mrs. R. D. Oldham, Mrs. R. C. Hillier, Mrs. Virgil Henson, Miss Kate McCullough, Miss Alma Grace Schneider, Miss Rozella Burgin, Miss Mary Lee Abbott, and Miss Carlyn Wimberley. The Nursery department during the week will be in charge of Mrs. Boyd Moore and Mrs. L. C. Ponder.

The Training Union plan of organization provides a trainng program for each group, and effort will be made to enlarge this phase of the Sunday evening ministry of the church in Canyon. Visitors are always welcome.

Pastor Roy L. Johnson will preach at both hours on Sunday, 11:00 a. m. and 8:00 p. m. Miss Casement will make announcements and explanation of the campaign at the services Sunday. The committee in charge of preparations for this special week includes Robert H. Kilgore, James I. Payton, Mrs. R. D. Oldham and Miss Beulah Hammond.

REMINDER

"He was a believer in the uplifting effect of the drama, and now that he had met his twin soul, what could be more natural than that he should take her to "Othello" to be similarly inspired? And she was. The scene of Desdemona's death beneath the pillows moved her profoundly, as he had expected.

"That reminds me!" she exclaimed. "I must get some loose covers for the cushions in my sitting-room."

UP AND DOWN

Officer (as company is temporarily about to vacate trench which has been reported mined): "You two will remain here, and if there is an explosion you will blow a whistle. You understand?"

Private Spuds: "Yes, sorr! Will we blow it going up or coming down, sorr?"

As a Sidney, Texas, man stepped out of his truck, he was struck by a passing car and tossed high in the air. Just before his head struck the pavement his pocket caught on the high truck door handle and held him suspended in the air, saving his life.

They say he would have lived to a ripe old age if he hadn't eaten so many cherries—from the bottom of his cocktail glass.

You'll Be Sorry

By LARRY STERNIG

McClure Newspaper Syndicate. WNU Features.

LAURA was in a hurry. Having lost her part-time maid to a war plant some months before, she really had to hustle when she planned to be away all day. And now she was due at the hospital.

She made a last-minute checkup before pulling on her gloves. The table was set for dinner though it was only nine o'clock in the morning; salad greens were crisping in the refrigerator; the casserole and biscuits were ready to be popped into the oven when she returned.

Laura locked up, glanced at her watch and wished her big, old-fashioned house were a bit nearer the bus line. As near as—as Mrs. Farnham's modern bungalow.

Mrs. Farnham hadn't come to the hospital on her regular day last week and Laura wondered why. As she passed the bungalow, a mere half block from the bus, she instinctively glanced toward the porch—just in time to see Mrs. Farnham skid on a bar of soap and upset a pail of water.

Laura repressed a wicked urge to laugh. There was something funny about the stout matron's dignity being diluted in the puddle. But maybe she was hurt. Laura dashed up the steps and was relieved to find that the lady's pride had suffered most.

"You'll be all right when you've changed into something dry," Laura consoled as she helped the sputtering woman into the house. "Look here, I've just missed my bus anyway, so why don't you take off those wet clothes while I hunt up your robe—"

"Robe!" Mrs. Farnham snorted. "I've got to get into another housedress and finish scrubbing that darned porch."

"Oh. Is your cleaning woman on vacation?"

"Vacation!" the indignant woman barked. "It'll be a permanent one so far as I'm concerned. She took advantage of the present shortage of domestics. I engaged her by the hour and she slowed down until I was paying her more for less work." She tossed the dripping garment on a chair and finished explosively, "I fired her!"

"You'll find someone else," Laura said soothingly.

"Not a chance. By the way, Laura, tell the hospital I won't be in for my weekly stint any more. I'll be too busy at home."

"Nonsense," Laura said a trifle sharply. "I've been without help for months and I manage to do my bit. Of course there won't be much spare time when the children get back from camp and I have fall cleaning to—"

"Exactly, Laura. Simply tell Miss Tully you can't make it any more or you'll regret it."

Laura enjoyed waiting on people. Consequently she had a field day at the hospital. Sick people needed a certain amount of pampering and she was just the one to serve it up—in big gobs.

Today Miss Tully assigned her to the second floor. Fresh water for the feverish lady in 204; plumped pillows for that restless young patient in Ward 3; and that woman in the corner seemed to need attention of some sort. She was middle-aged and her soft brown eyes were worried.

"You're lucky to be near the window," Laura said cheerfully as she smoothed the cotton spread. "Are you well enough to sit up?"

The woman nodded her graying head and smiled faintly. "Oh, yes. I'm just about as good as new, the doctor says. I'll be leaving in a few days." The smile disappeared and she bit her lip.

"I suppose your family can't wait till you're home again."

The woman's brooding eyes lifted to meet Laura's interested gaze. "My family is—my son." Her voice broke and then she said proudly, "Jim's a paratrooper, he is. He don't know I'm here; didn't want to worry him. But—" she reached into the drawer of her bedside stand and took out a telegram. "It says here he's coming home on furlough.

"Jim's coming home tonight and I can't bear to think he'll be alone, getting his own meals out of cans when he was counting so much on home-cooked food. Those things mean so much to a boy, you know—"

Laura did know. Moreover, she knew what to do about it. With the children away there was plenty of room. Jim would be welcome at her home. Her husband would enjoy swapping yarns with a paratrooper who had seen action in France.

"And that's not all," Laura finished. "When you leave here I want you to stay with us until you are strong again. It'll boost Jim's morale to know you're having good care."

A few weeks later Laura was hailed by Mrs. Farnham, who was on the porch brushing sofa cushions. She waved the brush with a condescending gesture. "On your way to the hospital again, Laura?" she sang out. "How do you ever manage;"

Laura waved back airily. "Simple, my dear. I met a very nice person named Mrs. Murphy at the hospital. After she recovered from her operation she needed a job to replace the one from which you fired her. Now that she's well, she accomplishes a lot—"

Oliver Cromwell was one commoner who became ruler of England.

Tuberculosis Is Dreaded Disease In State of Texas

"Carelessness and ignorance represent two of the most powerful factors in spreading communicable diseases from man to man. No more emphatic example of this fact exists than the continued ravages of tuberculosis. In spite of the knowledge of its cause and spread, and of curative methods, tuberculosis is still a very serious problem not only in Texas, but throughout the United States," states Dr. Geo. W. Cox, State Health Officer.

"It is true that tuberculosis no longer is first on the list of killing diseases, as it was formerly," Dr. Cox said, "but despite having been reduced to fifth place in Texas, it still is responsible for more deaths between the ages of fifteen and forty-five than any other disease. And this fact exists even though the majority of tuberculosis patients could have their condition arrested if it were recognized early and proper treatment applied.

"Treatment of the early recognized case is essential. It is of equal importance, from a public health viewpoint, that the spread of this devastating infection be prevented. A more intelligent appreciation of this fact would result in the saving of thousands of lives.

"When a diagnosis of active tuberculosis has been made, an examination of all of the other members of the immediate family should follow as a matter of course. Tuberculosis runs in families, not because of any especial susceptibility to the disease, but because it is communicable, being usually transmitted through close and prolonged contact with the active case."

To reduce the number of deaths caused by tuberculosis, Dr. Cox suggests periodic examination of all adults, a check-up by physicians of the known active cases and contacts, regular examinations of high school children, isolation or hospitalization of the active tuberculosis case, and a more intelligent application of hygenic living principles.

President Calvin Coolidge wrote a history of the United States in 500 words.

William Morrison of Des Moines, Iowa, in 1892, made the first electric automobile.

Ruskin was sued for libel by the artist Whistler.

A scarab is a stone carved in the form of a beetle.

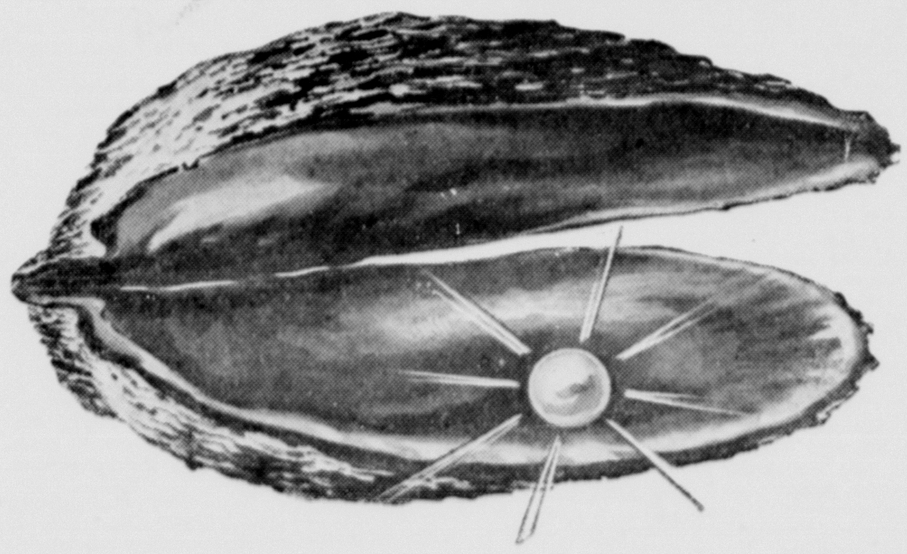
Maine touches only one other state.

Andrea del Sarto was known as the faultless painter.

The loose-leaf system dates back to the Garden of Eden.

Looking down makes one dizzy . . . so keep the head up.

WHAT'S IT WORTH ?



YOU CAN make a cultivated pearl by dropping a grain of sand inside an oyster.

The oyster surrounds this irritating grain with a secretion. Slowly, the pearl grows.

When it's as big as a seed, you might remove it and sell it. It would be worth something—not much, but something.

But you'd be much wiser to leave it there—month after month, year after year, while it continued to grow. By and by it would be worth much more. And if, at the same time, you went on growing more and more pearls in more and more oysters—you'd be surprised how your *fortune* would grow!

Your Bonds work the same way. And they're a lot more convenient than oysters.

If you keep the Bonds you now have till maturity, they'll be worth four dollars for every three you invested. And if you keep on buying more and *more* Bonds, you'll find you've done an amazing thing—accumulated enough to make many a dream come true!

Keep buying Bonds—and hang on to them! For security. A home of your own. College for your children. Leisure in your older years. For those Bonds are the *safest* investment on earth!

Eagles Test Their Tallons in Gridiron Debut

Canyon High School Groups Elect Officers and Sponsors as Guides

Class Meetings Highlight Opening of School Year

Election of officers was the main item of business in C. H. S.'s first class meetings, at 9:45, Thursday, October 4th.

Gunter Elected

Malcolm Gunter was elected president of the senior class, while the other officers are as follows: Bobby Mickey, vice-president; Ruth Richard, secretary; Cheri Kilchriste, treasurer; Ray McDonald, representative to Student-Faculty Congress; Louise Tucek, alternate representative to S. F. C.; Billy Jo Wallen, reporter; Louise Dickenson, pep leader; Norma Zell Zachry, program chairman; and Anita Johnigan, social chairman. Mrs. P. S. Merchant, English teacher, met with the seniors because their sponsor, Mr. T. L. Devin, has not yet arrived. Malcolm Gunter appointed a committee, composed of Louise Dickenson, Cheri Kilchriste, and Norma Zell Zachry, to begin making plans for the Hallowe'en Carnival.

Guthrie Leads Juniors

Juniors elected James Guthrie to lead them as president; James Rigsby, vice-president; Geraldine Small, secretary; Bill Davis, treasurer; Mary Ann Parker and Gracie Boyd, representatives to S. F. C.; Frances Gooch and Wilbert Long, alternates to S. F. C.; Charlene Davenport, pep leader; Harold Jay Prichard, alternate pep leader; and Norma Jo Currie, social chairman. The selling of school pins and of magazines was discussed by the class and Jean Prater, Charlene Davenport, and Harold Jay Prichard were appointed to make plans for selling the purple and white school pins.

Bellah Guides Sophs

Officers elected in the Sophomore class are: Max Bellah, president; Wayne Davis, vice-president; Martha Wilson, secretary; Clifford Burtz, treasurer; Nancy Ann Nicklaus, reporter; Valeta Haines and Guy Brant, representatives to S. F. C.; Marvin Fite and Virginia Taylor, alternate representatives to S. F. C.; Martha Jean Avent, pep leader; Thelma Bonds, alternate pep leader; and Mr. and Mrs. Earl Burtz, Mr. and Mrs. L. C. Davis, Mr. and Mrs. J. D. Sanders, and Mr. and Mrs. E. A. Michael, room-parents.

Freshmen Elect Hickman

Chosen by the freshman class were: Don Hickman, president; Harry Campfield, vice-president; Ema Gene Zachry, secretary; Jo Ann Bullard, treasurer; Don Stone and Scharlean Pyeatt, representatives to S. F. C.; Janie Forrester, pep leader; and Billy Cleavenger, reporter.

In the eighth grade Claudine Beavers was elected president; Carl Hair, vice-president; Leo Erwin, secretary; Donna Erwin, treasurer; Joanna Haines, pep leader; and Carroll Wray Dickerson, reporter.

Seventh graders elected Walton Byrd, president; Stanley Lair, vice-president; Don Johnson, secretary; Carl Gene Crow, treasurer; Merle Bullard, pep leader; and Katherine Furlow, reporter.

Sponsors Chosen

Classes met September 26 and elected class sponsors as follows: Mr. Devin, senior; Miss Davies, junior; Mrs. Knott, sophomore; Mrs. Hendrie, freshman; Mrs. Simms, eighth; and Mrs. Archer, seventh.

BACK TO SCHOOL

Boys and girls of high school age! Finishing school at this time is more important than accepting post-war jobs with high wages. Some who neglect their education now will be sorry later in life because unemployment has all ready started and people are unable to acquire jobs without at least a high school education.

So let's forget about the money and steer ourselves back toward the school building and enroll with a willingness to work and to prepare ourselves for business success in the future.

—by Louise Tucek.

HIYA FOLKS

Here we are back again for nine more months of educating ourselves and telling you of the doings of our school from week to week.

We have a lot of the same old "stuff" but also there are new things, and that is where the fun comes in. For example; we are very excited over having football again, and, of course, that leads to a band and a pep squad. We haven't fully organized them yet but won't we have fun when we do? At each game what snappy music and loud yells will fill the air!

Now this is where most of the boys come in by taking agriculture. They are apt to be raising almost anything before the year is over.

These are some of our new doings, but there will be many more from time to time and you'll know about them. Until then, "so-long" folks.

BE PREPARED!

Always the schools of America have been the centers of knowledge; their duty has been to prepare young men and women to face their future properly equipped. During peace, as well as during war, this is true; and today the schools, faced with its biggest job, that of preparing young Americans for an everlasting peace, have quickly and successfully changed themselves from the pursuits of wartime to those of peace.

War is a young person's task and the high schools of America knew it, even before the war began for us. They did their part in preparing young Americans for the part they would play.

All over the United States today, schools are receiving men from the Army, Navy and Marines after having prepared them for their wartime future. All over America young high school graduates joined the service. They were and are the best, and not only the schools but the entire world recognize their importance, both as soldiers to fight the war, and builders who will follow and create out of it the future that is theirs.

by Shirley Harrison.

Fireman! Fireman! Save Our Children!

All hail! Fire Prevention Week! This week in dear old CHS there will be absolutely no:

1. Hot foots given to any teachers, principals, or superintendents. (Unless feet are over size 15.)
2. School house burning. (Let it stand one more week at least, (kids!)
3. No atomic bombs brought to class. (Leave them at home in the safe.)
4. Burning cigar or cigarette butts thrown in the waste paper basket. (Don't put them in your pocket, either. If you get caught, just swallow it and get yourself a drink!)

If you can force yourself to obey the above stated rules for one week, you automatically become a member of CHS Fire Prevention Club. Aren't you happy?

Fire prevention themes are due this week and after the judges decode, debate, consider, argue, pull hair, and debate some more, the lucky stiff who wins first prize will be the proud and happy owner of money. Real, honest to gosh money! So come on kids, and get some good ones out this year.

FHT Council Has Executive Meet

Meeting in the Home Economics Department of Tulia High School on September 9, 1945, the Executive Council of the Future Homemakers of Texas made plans for the work throughout the year.

Attendants from Canyon were Miss Gladys Armstrong, area supervisor, accompanied by Miss Kathryn Davies, Home Economics instructor of Canyon High, and Miss Geraldine Small, area recording secretary.

13 Buses Provide Riding Facilities

Country students of Canyon High are brought to school by thirteen buses.

Oldest of these buses is the Canyon Independent No. 2, driven by Lester Smith.

Newest of the buses is Canyon Independent No. 1, which travels 80 miles each day, and carries the largest number of students, totaling 45.

Other buses and drivers include the Hudson, P. A. Burrows; Jowell, H. D. Bonds; Ralph, Lester Shrene; Garrison, Mrs. J. A. McDuff; Stone, A. B. Baker; Palo Duro, Raymond Tucek; Zita, N. J. Pope; Lakeside, A. H. Simon; Trigg, H. H. Bassett; Ford, T. E. Price; and Pierce, Mr. Ponds.

Wheelock Coach Athletic Courses

Mr. R. D. Wheelock, new athletic coach, comes to us from Silverton, Texas, where he attended both grade and high school.

He also attended Wayland Junior College, at Plainview, Texas, and, continuing his college work in West Texas State College, he obtained his B. S. degree in 1936.

Coach Wheelock is experienced in sports, having been captain of basketball and football teams in high school, and has coached for a number of years in the Silverton and Tulia Public Schools.

During the past three years Mr. Wheelock has worked at Pantex. He, his wife, and a five year old son make their home in Amarillo.

"I am enjoying my work very much and think Canyon High School has an enthusiastic student body. These boys are inexperienced but willing and hard working," states Mr. Wheelock.

Grade Notes

In Mrs. Lucille Doughty's third grade, 33 students are enrolled. Since the beginning of school Franklin Carver and Raymond Brooks have withdrawn. Franklin has moved to Dallas and Raymond has gone to Oklahoma.

"How Transportation and Communication Have Brought Us Together" is the title of the unit the third grade is now studying. Displays will be made at the end of the week.

Those in this class having birthdays are Laura Kinney and Mrs. Lucille Doughty, both on October 5.

Elected president of Mrs. John Davis' sixth grade was Richard Sanders. Other officers are: Ted Nicklaus, vice-president; Dorothy McReynolds, secretary; Teddie Howell, program chairman; with Colleen Payne and Jimile Jennings as helpers; Lynn Bluett, room captain; and Charles Donnell, window monitor. This class consists of 27 pupils.

New students in Mrs. John Davis' room are: Joyce Payne, who hails from Happy; Frances Young, Adrian; Bennie Sue Boswell, Tulia; and Colleen Payne, San Diego, California.

There are '33 students enrolled in Mrs. W. T. Collins first grade and 27 in the second grade, which Mrs. Stella Murrell teaches.

Mrs. Arthur K. Goodman's third grade is studying a unit on transportation. These students have also been writing stories, drawing pictures, and reading and telling stories.

Birthdays to be observed in this class during the month of October are Windene Nicklaus on the 20th and Will Duvaney on the 25th.

Lunchroom Begins Season's Service

Accommodating approximately 380 students daily on the third floor of the high school building, the lunchroom again swings into operation for its second year. At 11:30 each morning, the grade school is served, while the high school students eat at 12:05.

New equipment in the lunchroom includes a roaster, two large stew kettles, and two dozen cups.

Preparing the meals are Mrs. J. H. Lisle, manager; Mrs. Leatha Lehnick, Mrs. Carl Laughery, Mrs. W. M. Dickerson, Mrs. Gene Peppard, and Mrs. Ellen Sarrett.

After recently checking the lunchroom, Health Inspector Charles V. Eads said, "This place shows excellent management."

Rev. C. Nelson Wylie Addresses First CHS Assembly Group

Speer Presides Over Group At First Student Session

"Young people find that rules are a necessity on the road to success in life," Reverend Clarence Nelson Wylie, state moderator of the Presbyterian churches, said when he addressed the first assembly of Canyon High School last Thursday.

He developed this central idea to show that one cannot become successful unless he is governed by rules in the material and the spiritual development.

The speaker was introduced by the Reverend Robert W. Jones, president of the Canyon Pastoral Club.

Superintendent J. B. Speer presided over the assembly, leading the Pledge of Allegiance.

Geraldine Small and Betty Ann Miller, accompanied by Max Bellah at the piano, led the school song.

School has begun
Hey you, Sad Sack
The gang's all here
And Cal is back.

Caesar came, he saw, he conquered.

Old Cal came, he saw, and brother the next day is was all over school.

Don't read this! It's a special for Charles Wright.

This is just between you and me, so let's don't spread it.

Murial Fay Cope told me herself that she thinks you are simply out of this world.

Sue Jennings! Who is that "tall, dark, and handsome" you were strolling down the street with Sunday afternoon? Oh, brother!

That witty wizard Ray MacDonald is still persuing that "little bit of heaven" from down College way. Yep, Lee Mann is attending West Texas State this year.

Billy Danner has looked the field over, and Blake Zachry seems to be the lucky guy. Cal sympathizes with you, Ridings Sloan.

Then there was that interesting item about Jack Bonds and Cathryn Furlow. You'll have to get this first hand, Cal seems to have forgotten the details.

Boys, please! Stop drooling! That charming and shapely little brunette is not one of our new students. She happens to be a member of the faculty. Yes, that's Miss Davies of the Home Economics Dept.

Don't look now, but Frances Standley is pretty busy these days or shall we say nights? How about that Harold Prichard?

Trainees Practice Physical Culture

During their Physical Education period, the seventh and eighth grade boys of Canyon High School are learning the fundamentals of football under the direction of Coach R. D. Wheelock. Each day on the football field, ninety boys practice games of passing, kicking, and touch. This group is receiving basic training for future football.

In the girls' Physical Education Department, directed by Miss Grace Aaron, baseball, when weather permits, and calisthenics in the gymnasium are the main activities. This group of 85 girls represents every class in the high school. Organization of special groups will come later when they have their intramurals.

Library Increases Popular Editions

Beginning the season, Canyon High School library contains many new books. Mrs. B. F. Bartlett, librarian, is preparing a list of books to be ordered, the cost of which will total $100. Several books, recently rebound, are on the shelves of the library.

Of the 35 magazines to which the library subscribes, "Coronet," "Seventeen," "Scholastic," and "Calling All Girls" are new additions. For the Spanish class, "Days of Ophelia" will be ordered, and books by Loula Grace Erdman of West Texas State College are also on the list.

Mrs. Bartlett says of the average 250 high school students which are in the library, "I have an unusually fine group of pupils this year and they seem to be interested in their work."

Principal Assumes Executive Duties

Mr. Tommie J. Cole of Batesfield, Arkansas, assumed the duties of Principal of Canyon High School at the opening term this year.

Attending high school in Batesfield, Mr. Cole lettered in basketball and graduated as salutatorian of his class.

After completing most of his college work in Arkansas, Mr. Cole received his B. S. degree from West Texas State College at Canyon in 1944.

Before coming to Canyon High, Mr. Cole held teaching positions in Arkansas and was principal of the school at Skellytown, Texas, for two years.

"I am particularly impressed with the co-operative spirit of the Canyon High School student and faculty," states Principal Cole.

Shop Work Lists Many Beginners

Milton Sanders, instructor of Industrial Arts announces that sixty pupils are taking shop this semester, all but four of whom are beginners. This course comprises the fundamentals of manual training and the learning to operate hand tools. Also, twenty-four pupils are studying mechanical drawing.

"I have hopes of getting some hardwood this year," states Mr. Sanders, "since the lumber companies have started releasing it again for the first time in two years. We have had to use inferior grades for some time now."

Pep Rally Cheers Team to Fight

In Canyon High School's pep rally, held in the Auditorium, Friday October 5, at 3:00, the six new pep leaders; Louise Dickenson, senior; Charlene Davenport, junior; Martha Jean Avent, sophomore; Janie Forrester, freshman; Joanna Haines, eighth grade; and Merle Jean Bullard, seventh grade, led several yells.

Mr. Milton Sanders, publicity manager for the football team, gave the football schedule for the season and prices of tickets.

After being called to the stage by Coach Wheelock, all boys going out for football were given a cheer by the assembly, after which Mr. Cole dismissed the pepsters.

Richard E. Byrd was the one and only explorer to fly over both the North and South poles.

Donnie Avent, gunners-mate 2-c, graduate of CHS in 1941 came home on leave September 29. He reported to Dallas October 1, to be sent to San Pedro, California, where he will receive his discharge.

James Meroney, a former student of CHS, who volunteered for the Navy during the summer of 1945, started his training at San Diego, California on September 13. His mother, Mrs. Bessie Melton, expects him home the last week of November after he has finished his ten weeks of school.

Pvt. Louis Hinders, an infantryman and a '43 graduate of Canyon High will be home this week. Louis has been in the service since June 3rd, 1945, and has been stationed at Camp Robinson, Arkansas.

Pfc. Leroy Boehning of the infantry is in Canyon on furlough after serving in the European Theatre of War. Leroy went to school here in CHS until 1941.

After four months in the service, Seaman 1-c John Lill, Jr., 1944 graduate was home on leave from September 29 to October 5. John was stationed at the Naval Base in San Diego, California.

Pfc. Arthur B. Duncan, '43 graduate of CHS, was in Canyon over the week end on a three day pass. Arthur is stationed at Alamagordo Air Base in New Mexico.

Sgt. Leroy Wooten is home on a ten day leave from Fort Leonard Wood, Missouri, where he is stationed. Leroy is a 1942 graduate of Canyon High.

Lieutenant E. Burroughs, after serving in the European Theatre of War for several months, has been discharged. E, '40 graduate of CHS, was attending West Texas State College before he volunteered for the Army Air Corps. He intends to return to college after a few months.

Passes Indicate Players' Ability

Bobcats Pluck Eleven 31-7 In First Conference Tilt

Overpowered 31-7 by the Dimmitt Bobcats, the Canyon Eagles lost their first game of the season Friday night at Buffalo Stadium.

Running a touchdown in the middle of the first quarter, the Bobcats were the first to score. In the closing minutes of the first quarter after completing a pass from Charles Wright, Billy Abbott ran the first touchdown for the Eagles. Catching a pass from Abbott, Wilbert Long made the extra point.

Eagles Lead 7-6

Leading the Bobcats by a score 6-7, the Eagles kept the lead until the closing minutes of the second quarter when the Bobcats gained another 6 points to put them in the lead which they kept throughout the rest of the game.

Players Form Lineup

Completing the starting line-up in the backfield were: Charles Wright, fullback; Malcolm Gunter, halfback; Gerald McDuff, halfback; and Billy Abbott, quarterback. On the line were: Wilbert Long, left end; Wayne Davis, left tackle; Easton Wall, left guard; Austelle Burrus, center, M. E. Rhodes, right guard; Bobby Mickey, right tackle; and Clifford Burtz, right end.

Team Resumes Training

Discontinuing football in 1941, The Eagles resumed training last Spring. Considering the experience of the opposing team, the Eagles played a good game.

The next game is scheduled for Friday, October 12, at Tulia, at 7:30 in Tulia against the Tulia Hornets.

Students Enlarge '45 Enrollment

At the opening of school this year Canyon High has 42 new students. In the senior class are: Shirley Harrison, Lubbock; Alice Pierce, Bremerton, Washington; and Norma and Blake Zachry, Canyon.

Among the juniors are: Kirksye Newsom, Cordell Mahler, Billy and Peggy Spann, Wayside; Billie Danner, Dumas; Orville Turner, Silverton; Johnny Ford, Canyon; Mary Ann Parker, Fort Worth; and Mary Gilliam, Webb City, Missouri.

In the sophomore class are: Virginia Taylor, Vega; Ramona Simon, Panhandle; Irma Gilliam, Webb City; Max MacDonald, Alvord; Letha Harwood, Los Angeles, California; and Sue Gillispie, Morse.

New students in the freshman class include: Frank Hacker and Billy Cleavenger, Amarillo; Betty Ann Erwin, Woodward, Oklahoma; Janey Forrester, Pringle; Cecil Miller, Dumas; and Dorothy Young, Adrian.

Among the eighth graders are: Ava Dooley, Excelsior Springs; Billy Payne, Happy; Gibner Satterwhite, Claude; Morselete and Carrol Wilson, Hereford; Fred Boren, Canadian; Leo Erwin, Woodward; Horace Helton, Middlewell; and Patsy Todd, Amarillo.

Entering the seventh grades are: Stanley Parker, Fort Worth; Melvin Payne, Happy; Loyal Miller, Dumas; and Aldis and Alton Spence, Tanglewood.

There are no true cedars native to this country. However, seven evergreens are popularly so called.

A LOSS BY FIRE CAN NEVER BE RECKONED

For your own sake, for the sake of your family and your country, get rid of fire hazards now! Don't endanger your home with unsafe electrical appliances . . . have them repaired. Clean up any rubbish that might be a source of fire. See that your basement, closets and attics are clean. Check fuse plugs, make sure they are the right size. It's the job of every American to prevent costly fires!

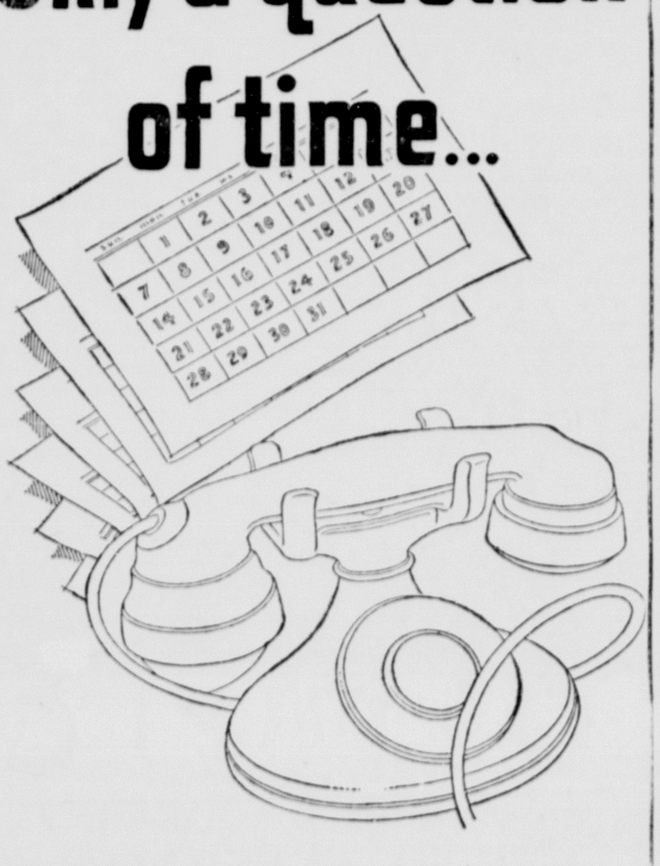
HILL IMPLEMENT COMPANY

Only a question of time...



Telephone factories are already turning out some of the equipment needed to serve the 246,000 persons waiting for telephones in the Southwest at war's end.

That stream will grow mightily in the months ahead. It will move slowly for a while of course. It takes time to manufacture and install new apparatus.

A telephone alone contains 248 precision parts. Switchboards and dial central office equipment for only 10,000 telephones must be designed to handle nearly 50,000,000 possible interconnections.

But we've made a start. We've turned the corner. We're on our way. Every month ahead brings us closer to serving all who want telephones without delay.

SOUTHWESTERN BELL TELEPHONE CO.

'Mighty I' Will Make Japs Pay

Destroyer, Victim of Direct Suicide Hit, Is Ready to Add to Heavy Toll.

SAN FRANCISCO.—A great rent gapes in her hull, 15 of her enlisted men are dead and 30 wounded, but the destroyer USS Ingraham will split the seas again with her trim nose for another crack at the Japanese.

The 2,200-ton "tin can," now in drydock for repairs at Hunter's Point, San Francisco, survived a direct hit by a Japanese suicide plane early in May north of Okinawa, and came home under her own power, the 12th naval district announced, according to the Associated Press.

Before receiving this nearly mortal wound the Ingraham had taken a heavy toll. She was instrumental in sinking three enemy vessels, and destroyed six of the seven suicide planes which chose her as their target in the flaming fury of a dawn attack by 70 to 80 Japanese aircraft of all types.

Nicknamed the "Mighty I" by her crew, the Ingraham was operating on the edge of the East China sea with another battle famed destroyer, the Morrison, when she was hit.

Moved in for Kill.

Enemy scout planes sighted the two craft during the night. As daylight came the big suicide squadron moved in for the kill, diving from all directions at the destroyers and their smaller support craft.

Lt. John D. Brink, USNR, San Diego, Calif., Ingraham gunnery officer, said the Japanese threw all available planes from modern fighters to old twin-engined float craft into the battle.

The Morrison was struck and badly damaged. The Mighty I steamed to her aid firing "at everything in sight." Then seven Jap suicide pilots peeled off toward the Ingraham. The ship's gunners knocked down six of them in two furious, action packed minutes.

The seventh bored through the barrage of steel from all available ack-ack guns and crashed into the vessel's side at the water line, ramming into the crew's mess hall with its bomb exploding in the generator room.

Flames swept through the stricken ship, and she settled in the water until her decks were within five feet of being awash. Overhead other Japanese fliers poised to deal the death blow, but American combat air patrolmen sent them plunging into the sea by the score and none reached the Ingraham.

Helps Protect Carriers.

Forty minutes later rescue tugs took the crippled destroyer in tow and pulled her to safety.

The Ingraham, one of the Barton class of big destroyers, participated in the Leyte island, Philippines, and other Southwest Pacific engagements before reaching the high mark of her 14-month career while escorting American carriers in strikes at the Tokyo - Yokohama area.

In late February she was off Iwo island pounding enemy shore installations with her 5-inch guns. A short time later she joined the destroyer pack in protecting United States carriers softening up Okinawa for invasion.

Idle British Workmen Shout 'We Want Work'

LONDON.—Eight thousand employees of the Napier engineering factories in suburban Acton marched into Hyde Park shouting: "We want work!"

About 2,000 of the workers had been declared "redundant" — no longer needed on war work—and the remainder declared a strike in sympathy. Demonstrators carried banners bearing the slogans "We produced for war; we can produce for peace" and "Unemployment appeared in 1918, has this war been in vain?"

Pilot Escapes When Chute Tangles on Burning Plane

MANILA. — Lt. Dan Bradley, Detroit, escaped death spectacularly while 100 doughboys watched.

Jap fire set his dive-bomber ablaze. He zoomed and jumped but his parachute caught and the flier was yanked behind the burning ship. About 100 feet from the ground the plane rolled and the 'chute slipped free.

It opened and the pilot landed unhurt, near gaping Japs.

Americans hustled him through to safety.

War's Dread Is Over; Liner Oregon Sails

NEW YORK. — It was like prewar days aboard the French liner Oregon. She pulled out of New York harbor, a tricolor flying.

The Oregon was the first liner whose departure has been made public since Pearl Harbor.

Her steamer chairs were occupied and children were playing shuffleboard in the sun.

Copper is the only industrial mineral found to any extent in Japan.

CLEAN AS A HOUND'S TOOTH!

That's Phillips 66

THE HONEST OIL—FROM DEEP IN THE HEART OF OKLAHOMA!

Brother, if you want a clean, sweet, protective oil for your car—lay your dough down for Phillips!

It's clean because it *starts* clean, and we refine it *cleaner.* Yessir, we've got a grudge against sludge—and the greatest cause of engine guck and muck is an oil that isn't as clean as it ought to be.

And the greatest thing about Phillips 66 is—*all its God-given lubricating qualities are unimpaired.*

We don't claim the credit for this wonderful oil. We just had enough sense to recognize a great job by Mother Nature—to take it out of the ground—and not to fool with it too much!

So when you change your oil every two months (as you should if you want to keep a car under you) just tell that man—"Fill 'er full o' Phillips!"

You won't find a more *honest, natural* lubricating oil in America!

"Fill ér Full ó Phillips!"

Conference to Be Held Here

Homemaking Teachers Of Panhandle Will Assemble on Saturday

Fifty homemaking teachers from about thirty counties will come to West Texas State on Saturday, October 13, for a fall conference sponsored by the State Board for Vocational Education. Sessions will be held in Room 208 of the Science Building.

Registration will begin at 9:45 a. m. under the direction of Miss Katie McCluney, college instructor.

Miss Gladys Armstrong, area coordinator of homemaking education, will open the first session at 10 o'clock. Prof. F. E. Savage, director of the college demonstration school, will welcome the delegates and visitors. Dr. A. Kirk Knott of West Texas State will discuss "Mental Hygiene and Homemaking Education;" Miss Barbara Daniel of Tulia will talk on the post-war program; Miss Armstrong will speak on "Gearing the Year-Round Program in Homemaking to Meet Problems in Home and Family Life."

A luncheon will be given in the home economics dining room at 12:15, with Miss Kathryn Davies of Canyon High School as chairman.

Miss Wilma Herring, teacher-trainer at the college, will preside over the afternoon session beginning at 1:15 p. m. A symposium on ways of working with adults and community groups will be directed by Miss Margaret Barrett, head of the college home economics department. Other speakers will be Miss Armstrong and Miss Davies. After adjournment, new teachers will have a conference with Miss Armstrong and other visitors will see educational motion pictures.

Reservations for the noon luncheon, priced at 75 cents, must be made with Miss Armstrong by Thursday.

The American 36th Division, composed largely of Texans, captured the German 36th Division.

Students Are Named to Head WT Publications

Nominated last Tuesday evening during a special meeting of the Student Senate, four sophomores—Mollie Nann Ziegler, Homer Jackson, Pat Hill and Betty Fulton—will edit and manage publications this year as leaders of Le Mirage and Prairie staffs by appointment of President J. A. Hill.

Head of the editorial department of the annual, Mollie Nann Ziegler is a business major whose previous experience has been with the Eagle's Tale, school paper of Canyon High School.

Homer Jackson of Dalhart will be responsible for all business dealings of the yearbook. He worked with publications at Wentworth Military Academy.

Hill Edits Prairie

Newly-appointed to the editorship of W. T.'s weekly newspaper, Pat Hill has reached that position after a year of reporting for the Prairie. From Tahoka, Pat is majoring in English and government.

With a background as business-manager of the Plainview high school annual qualifying her for the office, Betty Fulton will serve in that capacity for the paper.

In addition to making these appointments, the Senate decided to create another paid position for an assistant in editing The Prairie. Johnnie Fay Cresens, freshman journalism major has been nominated to the associate station because of high school newspaper experience as editor of the Amarillo Sandstorm.

DeShazo Sports Scribe

Editor Hill has named Ellen Root, Canyon freshman, society editor, and Dale DeShazo, junior of Snyder, sports editor. Kate McCulloch, freshman from Plainview, is helping Betty Fulton in the business division.

Remainder of the Prairie editorial staff, members of the journalism class and free-lance reporters, are: Margaret Lair, Polly Winstead, H. L. McMillan, Frances Harp, Bobby Storey, Jean Boyd, Kay Collard.

Dorothy Daniel, Jill Cooper, Mattie Houpt, Dorothy Scott, Louise Records, Cleo Geter, Marie Durrett, Dorothy Evans, Dick Fleming and Margaret Bane.

CARD OF THANKS

To the people of Canyon I want to express my deepest appreciation for your thoughtfulness and consideration of me and my family during our long period of anxiety over the safety of George. Your rejoicing with us over his release is as keenly appreciated too. May God's richest blessings dwell with you all. Mrs. Hattie Brasuel.

Highland News

Come to the Farm Bureau meeting at the Highland school, 8 o'clock Friday evening, Oct. 12th.

There will be a "Singing" and basket dinner at the Wildorado school Sunday, Oct. 14th. Singing begins at 11:30 a. m., dinner at 1 p. m.
